FORM FBOT—EXHIBIT E-4

Request: Identify any contracts that are linked to a contract listed for trading on a United States-registered entity, as defined in section 1a(40) of the Act. A linked contract is a contract that settles against any price (including the daily or final settlement price) of one or more contracts listed for trading on such registered entity.

Response:

As described in Exhibit E-1, BVMF's contracts are not linked to a contract listed for trading on a U.S.-registered entity and none of its contracts included in this Application settles against any price (including the daily or final settlement price) of one or more contracts listed for trading on such registered entity.
