ISSUANCE OF COMPLAINT -- CEA DOCKET NO. 219

(Administrative Hearing Under the Commodity Exchange Act)

A complaint and notice of hearing has been signed by the Assistant Secretary of Agriculture charging violation of the Commodity Exchange Act by:

Roy D. Simmons

(Chicago, Illinois)

The complaint charges that on December 5, 1969, Roy D. Simmons, while trading in egg futures for his own account, sold 37 carlots in excess of the speculative trading limit. It also charges that in connection with such trading Mr. Simmons submitted a false report.

The issuance of a complaint under the Commodity Exchange Act does not constitute proof of violation of the law. Such violation is established only when there has been a determination that the evidence substantiates allegations in the complaint. A determination is considered as having been made when a decision of the Administrative Law Judge becomes final or, after appeal, a decision is made by the Judicial Officer of the Department. Complaints are filed in the Office of the Hearing Clerk of the Department of Agriculture and are a matter of public record. Pending disposition of a complaint, it is the policy of the CEA not to comment or elaborate on charges contained therein or to discuss evidence on which it is based.

A public hearing on the complaint will be held before the Administrative Law Judge in Chicago, Illinois, at a date and time to be specified at a later date.
