A complaint and notice of hearing has been signed by the Assistant Secretary of Agriculture, charging violation of the Commodity Exchange Act by:

Kroll, Dalon & Co., Inc.

and Stanley Kroll

(New York, New York)

The complaint charges that on August 31, 1969, the respondent corporation, while registered as a futures commission merchant under the Act, failed to meet minimum financial requirements prescribed for futures commission merchants, by approximately \$ 265,000. It also charges that the corporation was undersegregated on 21 business days during the period July 14 through August 26, 1969, in amounts ranging up to approximately \$ 20,000.

The issuance of a complaint under the Commodity Exchange Act does not constitute proof of violation of the law. Such violation is established only when the Judicial Officer of the Department has made a determination that the evidence substantiates allegations in the complaint. Complaints are filed in the Office of the Hearing Clerk of the Department of Agriculture and are a matter of public record. Pending disposition by the Judicial Officer, it is the policy of the Commodity Exchange Authority not to comment or elaborate on charges contained in complaints or to discuss evidence on which they are based.
