CFTC Docket No. 16-R016

ORDER OF SUMMARY AFFIRMANCE

Upon review of the record and the parties' appellate submissions, we have determined that the findings and conclusions in the initial decision are supported by the weight of the evidence and are substantially correct; we therefore adopt them. We also find that none of the arguments on appeal made by the appealing party raise any important question of law or policy. Accordingly, we summarily affirm the initial decision without opinion.¹

IT IS SO ORDERED.

By the Commission (Chairman TARBERT and Commissioners QUINTENZ, BEHNAM,
STUMP, and BERKOVITZ).
