Re: Commodities Futures Trading Commission v. Equity Financial Group
LLC, et al. (04 CV 1512, RBK)

Dear Judge Kugler:

Defendant Vincent J. Firth has brought to our attention that an account at the Farmers & Mechanics Bank in Burlington, New Jersey was inadvertently left off the list attached to the Agreed Order for the Release of Funds dated May 7, 2004 in the instant action. The account, #2800530251, is a retirement account for the benefit of Mr. Firth and contains funds deposited in the account before any of the activities giving rise to the complaint in the instant action. Accordingly, I have no objection to releasing this account from the restraints imposed by the Court's April 1, 2004 restraining order. I therefore agree to the terms of Supplemental Agreed Order For Release of Funds submitted with this letter.

Steven T. Bobo, the Receiver, and Samuel F. Abernethy, Mr. Firth's attorney, with whom I have discussed this matter, also agree to this application.

Respectfully yours,

Elizabeth M. Streit
