COMMENT

Jean A. Webb, Secretary
Commodity Futures Trading Commission
Three Lafayette Centre; 21st St., NW
Washington, D.C. 20581

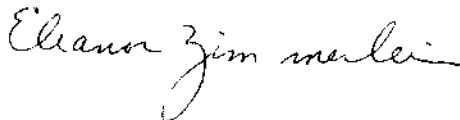

Re: CBOT Daily Price Limit Proposal

I am opposed to raising the daily price limits. I would never use the Board of Trade again as the price risk would be too great, also the margin requirements.

I am also afraid of the effect on my local elevator.

I am a small corn and soybean producer in north central Illinois.

Sincerely
