Re: Additional Registration and other Regulatory Relief for  
Commodity Pool Operators and Commodity Trading Advisors  
(68 FR 12622, March 17, 2003)

Dear Ms. Webb:

Maverick Capital, Ltd. supports the initiative of the Commodity Futures Trading Commission in proposing the above referenced rules. We urge the Commission to finalize the relief contained in the proposed rules, particularly Proposed Rule 4.13(a)(4). We believe that adoption of these proposals would simplify regulatory requirements under the Commodity Exchange Act without undermining the fundamental purposes of the Act and benefit all market participants.

Sincerely yours,

  
John T. McCafferty  
Managing Director and General Counsel
