Subject: RE: COT Report

2006 JUL 17 AM 11: 03

OFC. OF THE SECRETARIAT

Secretary....

It is vital that all reports remain public. Without the steady flow of information, we become hindered in our ability to make good decisions. It would be like shutting down an arm or portion of the FBI or any other agency. Without as much information as possible, we can't determine what in the best interest of our clients.

Thank you for keeping the COT report open and public.
