Subject: COT Reports

Hi CFTC,

We have enough problems going on in the world right now.

Tweaking the COT Report should not add to those problems.

PLEASE keep it as a MVT (Most Valuable Tool), and maintain its integrity.

I rely heavily on the COT report to assist me in making decisions.

The Commission should take precautions to implement report changes in such a way as to maintain continuity with historical data. Absent historical reference, the report becomes meaningless.

Please continue to publish the reports.

Thank you for taking the time to read this.

Sincerely,

Stephen M. Breen
