Subject: COT REPORTS

2006 JUL 19 PM 2:35

OFFICE OF THE SECRETARIAT

To Whom It May Concern:

I have received an email indicating that the Federal Government is considering eliminating the publication of the to COT report. As a tax payer, and an amateur trader, I DEMAND that my government, whom my taxes pay salaries of, continue this report.

I will find out what senator or congress person oversees which committee that manages this report and contact them as well. I'm getting tired of my government doing stupid things with my tax money. Eliminating the COT reports IS A STUPID THING. Please forward this to what ever manager is responsible for this proposal as well as the elected official that oversees this governmental body.
