Subject: COT Report

2006 JUL 21 PM 4:58

Please do not remove the COT Report. I use it regularly for my trading. Whether or not it is intended as such, the *appearance* is that of Government cover-up and / or favoritism for the big business companies and traders. Not a good move! If this a move for economic reasons there are certainly better reports to omit!

Sincerely,

Jimmy Scott, Ph.D.
