Rule Certification

Dear Ms. Webb:

Pursuant to Commission Rule 40.6, the Chicago Board of Trade (CBOT[®]) hereby submits the following temporary fee waiver program extension:

- **From October 1 through December 31, 2003, with respect to member trade transaction fees, waive the fee for one contract on a/c/e (electronic platform) for each contract executed by open auction. (Applies to comparable contracts within the same product complex.)**

This extension will continue a program which otherwise would have expired on September 30, 2003.

There were no opposing views among the CBOT's Board of Directors concerning this program extension.

The CBOT certifies that this program complies with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths
Vice President and Secretary
