Rule Certification

Dear Ms. Webb:

Pursuant to Commission Rule 40.6, the Philadelphia Board of Trade ("PBOT" or the "Exchange") hereby submits the following:

- **Amendment to PBOT Rule 366 Regarding References to Commission Rules.**

Over the past several years, a number of Commission rules have been revised and renumbered. New PBOT Rule 366 provides that wherever the context permits, all references in the Exchange's rules to Commission rules include any successor Commission rules.

The PBOT intends to implement this new rule no sooner than one business day following the Commission's receipt of this filing.

There were no opposing views among the Executive Committee of the PBOT's Board of Directors concerning these amendments.

The PBOT certifies that these amendments comply with the Commodity Exchange Act and the rules thereunder.

Sincerely,

William N. Briggs  
President
