Re: Section 5c(c)(1), Regulation 40.6 Submission. Exchange Certification
of Seasonal Heating and Cooling Degree Days Index futures and options contracts on Five
Additional US Weather sites.
CME Submission #04-55

Dear Ms. Webb:

Chicago Mercantile Exchange Inc. hereby informs the Commission regarding the Board's
approval on March 3, 2004, to add five US Seasonal Weather sites.

These five new US Seasonal Weather sites will have both Seasonal Heating and Cooling
Degree Days Index futures and options and will be available for trading on Monday, June
21, 2004.

The Exchange certifies that this action neither violates nor is inconsistent with any
provision of the Commodity Exchange Act or of the rules thereunder.

Additional sites are underlined.

40501. COMMODITY SPECIFICATIONS

(Prior Language Unchanged)

The temperature for a particular city is reported from a specific automated weather station. The table below lists the cities and their corresponding weather stations:

Listing Cities and Corresponding Automated Weather Stations
