Re: Security Futures Products Rule Submission and Rule Certification

2004 JUL 13 AM 9:06

Dear Ms. Webb:

Pursuant to section 5c(c)(1) of the Commodity Exchange Act, as amended (the "Act"), and section 41.24 of the regulations promulgated by the Commission under the Act, submitted herewith is a rule amendment to the contract specifications for all single stock futures products, including exchange traded funds, currently listed for trading on OneChicago, LLC ("OneChicago") effective July 19, 2004. The delivery months in Contract Specification Supplements No. 1 through No. 108 to Rule 905 (all futures contracts on a single security trading on OneChicago as of the date of this filing) are amended to read that there will be no more than three quarterly and one serial contract months at any point in a calendar year. There are no opposing views that are not incorporated into this rule amendment.

On behalf of my client OneChicago, I hereby certify that that the amendment to Supplements No. 1 through No. 108 to Rule 905 complies with the Act and regulations promulgated thereunder.

/s/ Madge M. Piro, Esq.
