Re: Rule Certification. NYMEX Submission 05-118: Notification of Approved Amendment to Supplement No. 1, "Official List of Approved Brands and Markings" of the Aluminum Futures Contract.

Dear CFTC Commissioners:

The New York Mercantile Exchange, Inc. ("NYMEX" or the "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") of an approved amendment to Supplement No. 1, "Official List of Approved Brands and Markings" of the Aluminum Futures Contract to be implemented effective Tuesday, July 12, 2005. The approved amendment adds the aluminum brand "CENTURY" produced by Century Aluminum of West Virginia, Inc. at its smelter in Ravenswood, West Virginia as acceptable for delivery against the Aluminum Futures Contract.

Century Aluminum Company ("Century") is a major producer of primary aluminum and has an annual primary aluminum production capacity of approximately 1.4 billion pounds. The Ravenswood facility is owned and operated by Century's wholly owned subsidiary, Century Aluminum of West Virginia, Inc. This facility which commenced production in 1957 operates four potlines with an annual production capacity of 375 million pounds of primary aluminum

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendment complies with the Act, including regulations under the Act. The approved amendment will go into effect on Tuesday, July 12, 2005.

Should you have any questions concerning the above, please contact Albert J. Getz at (212) 299-2608.

Very truly yours,

Robert A. Levin
Senior Vice President - Research

cc: Christopher Bowen, Esq.

Attachment: Approved Amendments to Supplement No. 1, "Official List of Approved Brands and Markings" of the Aluminum Futures Contract.
