Rule Certification

Dear Ms. Webb:

Pursuant to Commission Regulation 40.6(a), the Chicago Board of Trade (CBOT[®]) hereby submits the following:

- **Amendments to CBOT Rulebook Appendices 4C and 9B-3 per the attached texts (additions bold and underlined).**

With respect to the CBOT 100 oz. Gold and 5,000 oz. Silver Options, the referenced amendments will codify the following:

- In Appendix 4C (incorporated by reference into Regulation 425.01), position limits and reportable position levels; and
- In Appendix 9B-3, e-cbot[®] "no-bust" ranges. (The Exchange's "e-cbot Error Trade Policy" for electronic trading, as set forth in Rulebook Appendix 9B-2, incorporates, by reference, a "no-bust" range, as specified in Appendix 9B-3, for each electronically traded product.)

The CBOT intends to implement these amendments concurrently with the launch of trading in the referenced products.

There were no opposing views concerning these amendments.

The CBOT certifies that these amendments comply with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths
Vice President and Secretary
