Rule Certification

Dear Ms. Webb:

Pursuant to Commission Regulation 40.6(a), the Chicago Board of Trade (CBOT[®]) hereby submits the following:

- **Temporarily terminate trading authorization for December 2007 and December 2008 CBOT Dow Jones Industrial AverageSM Index futures (\$10 multiplier). There is no open interest in these contract months.**

This action represents a reduction in the "standard" contract month listing convention for this contract, such that only four months in the March/June/September/December quarterly cycle will be authorized for trading at any given time. With this change, the array of contract months listed for the \$10 DowSM contract will conform with the established contract array for CBOT mini-sized Dow futures (\$5 multiplier).

The CBOT intends to implement this action as of the business day following the Commission's receipt of this filing.

There were no opposing views with respect to this action.

The CBOT certifies that this action complies with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths
Vice President and Secretary
