CFTC

Dear CFTC Commissioners:

The New York Mercantile Exchange Inc. ("NYMEX" or the "Exchange") in its Submission No. 05-98 dated June 3, 2005 to the Commodity Futures Trading Commission ("CFTC" or "Commission"), requested CFTC approval for a proposed amendment to Supplement No. 2, "Licensed Depositories and Weighmasters for Silver" of the Silver Futures Contract to be implemented effective Monday, October 3, 2005. Specifically, the amendment would add the Brink's Inc facility located at 184-45 147th Avenue, Springfield Gardens, New York as an Exchange Licensed Depository for the storage of silver deliverable against the Exchange's Silver Futures Contract. Implementation of the proposed amendment depends on completion of Conditions Precedent established by the Exchange and specified in its Submission to the Commission. The Commission approved the proposed amendment and the October 3, 2005 implementation date (Correspondence dated June 27, 2005). As the Conditions Precedent were not met by that date, the Exchange informed the Commission a revised implementation date was established for January 3, 2006 (Correspondence dated October 13, 2005) for which the Conditions Precedent were also not met.

The Conditions Precedent have now been completed. The Exchange is informing the Commission that the new rule date will become effective June 12, 2006.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendment complies with the Act, including regulations under the Act.
