Re: Rule Certification. NYMEX Submission 06.76: Notification of Amendments to NYMEX Rule 9.27, Expiration and Current Delivery Month Position Limits or Position Accountability for the New York Harbor Unleaded Gasoline Futures Contract.

Dear Ms. Eileen Donovan:

The New York Mercantile Exchange ("NYMEX" or the "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") of amendments to NYMEX Rule 9.27, Expiration and Current Delivery Month Position Limits or Position Accountability for the New York Harbor Unleaded Gasoline Futures Contract.

The amendments to NYMEX Rule 9.27 are for housekeeping to reduce the position limits for related contracts which aggregate with the New York Harbor Unleaded Gasoline Futures Contract (HU). Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached notification complies with the Act, including regulations under the Act.

Should you have any questions concerning the above, please contact Thomas LaSala, Senior Vice President, Compliance and Risk Management, at (212) 299-2897, or the undersigned at (212) 299-2940.

Very truly yours,

Nancy M. Minett
