Re: Certification of Listing Cycle pursuant to CFTC Regulation §40.6(a).  
CME Submission #06-108.

Dear Ms. Donovan:

Effective for Monday, December 4, 2006, CME Options on Live Cattle and Lean Hogs futures will be listed for trading electronically as well as via open outcry. All options contract specifications and trading hours for electronic trading will be the same as for open outcry, except that the listing cycle for electronically traded Options on Live Cattle futures will consist of 6 contract months rather than 8.

The Exchange certifies that this complies with the Act and rules thereunder. No substantive opposing views have been expressed to the Exchange.

Please contact Jack Cook at 312-930-3295 or [jcook@cme.com](mailto:jcook@cme.com) if any questions arise. Please reference our CME Submission #06-108 on all correspondence for this.

Sincerely,
