Re: OneChicago, LLC Rule Submission
Issuing Notice to Members 2016-16 (Renaming Regulatory Notices)
(OCX Submission Number 16-011)

Dear Mr. Kirkpatrick:

Pursuant to section 5c(c)(1) of the Commodity Exchange Act, as amended (the “Act”), and § 40.6(a) of the regulations promulgated by the Commodity Futures Trading Commission (“CFTC” or the “Commission”) under the Act, OneChicago, LLC (“OneChicago,” “OCX,” or the “Exchange”) hereby submits the following Notice to Members (“NTM”), which will become effective on June 15, 2016. OneChicago is issuing NTM 2016-16 to inform market participants that the Exchange is amending its naming convention for NTMs that relate to regulatory issues. Currently, all such notices are considered NTMs. NTMs also include notices regarding holiday closures, new products, and other non-regulatory issues. For ease of reference, and to separate regulatory notices from other non-regulatory notices, the Exchange will begin issuing Regulatory Releases (“RRs”). All previous NTMs that were regulatory in nature will be renamed as Regulatory Releases, but will keep their respective numbers. New RRs will be issued beginning with the notice number immediately following the most recent regulatory NTM number. The currently issued regulatory NTMs that will be affected by this change are listed below.

The purpose and effect of the NTM is to rename the Exchange's regulatory notices in order to assist our market participants in complying with Exchange Rules. Comments on this NTM have not been solicited and none have been received. OneChicago is not aware of any substantive opposing views to this rule filing. OneChicago certifies that the NTM complies with the Act, including the core principles, and the Commission's regulations promulgated thereunder. OneChicago further certifies that a copy of this submission has been posted on the [OneChicago website](#).

OneChicago staff has reviewed the core principles applicable to designated contract markets ("DCMs"), and has concluded that the proposed NTM may have some bearing upon the following core principle(s):

Core Principle 7: Core Principle 7 requires DCMs to make available to market authorities, market participants, and the public accurate information concerning the rules and regulations for executing transactions on the contract market. The proposed NTM supports Core Principle 7 in that it updates the naming conventions of the Exchange's notices to assist market participants in complying with Exchange Rules.
