Mr. Christopher J. Kirkpatrick  
 Office of the Secretariat  
 Commodity Futures Trading Commission  
 Three Lafayette Centre  
 1155 21st Street, N.W.  
 Washington, D.C. 20581

**Re: CFTC Regulation 40.6(a) Certification. Notification Regarding the Listing of Eight (8) Futures Contracts on the CME Globex Trading Platform. NYMEX Submission No. 15-192**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) is notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it is self-certifying the addition of eight (8) existing NYMEX futures contracts on the CME Globex trading platform, effective on Sunday, June 14, 2015 for trade date Monday, June 15, 2015. As previously announced, CME Group intends to close most open outcry futures trading by July 2015. In anticipation of this upcoming event, the Exchange will extend the CME Globex listing schedule to match that of CME ClearPort.

The contract titles, rule chapters, clearing codes, CME Globex codes and CME Globex listing schedules are presented in Exhibit 1.

**Exhibit 1**

Contract Titles	Rule Chapter	Clearing Code	CME Globex Code	CME Globex Listing Schedule
Gulf Coast Heating Oil (Argus) vs. NY Harbor ULSD Futures	244	7U	7U	36 consecutive months
Gulf Coast Heating Oil (Argus) Futures	243	4U	4U	36 consecutive months
Australian Coking Coal (Platts) Low Vol Futures	1111	ALW	ALW	Current year plus the next three calendar years
HMS 80/20 Ferrous Scrap, CFR Turkey (Platts) Futures	867	FSF	FSF	24 consecutive months
European Hot Rolled Coil, Ex-Works Ruhr Germany (Platts) Futures	871	NSF	NSF	24 consecutive months
Iron Ore 62% Fe, CFR North China (Platts) Futures	925	PIO	PIO	Current year and the next two calendar years
Chinese Steel Rebar HRB400 (Mysteel) Futures	1286	RBR	RBR	12 consecutive months
Steel Billet, FOB Black Sea (Platts) Futures	869	SSF	SSF	24 consecutive months

The CME Globex trading hours are: Sunday – Friday 6:00 p.m. – 5:15 p.m. (5:00 p.m. – 4:15 p.m. Chicago Time/CT) with a 45-minute break each day beginning at 5:15 p.m. (4:15 p.m. CT).

In addition, NYMEX is notifying the Commission that it is self-certifying an amendment to Exchange Rule 588.H. in order to reflect the non-reviewable ranges (“NRR”) for the eight (8) contracts into Rule 588.H. as a result of the CME Globex venue addition. The NRRs for the eight (8) contracts are as presented in Appendix A.

The Exchange fees associated with the listing of the eight (8) contracts on CME Globex are presented in Appendix B.

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“Act” or “CEA”). During the review, Exchange staff identified that the listing of existing contracts on an additional trading venue may have some bearing on the following Core Principles:

- Daily Publication of Trading Information: The Exchange shall make public daily information on settlement prices, volume, open interest, and opening and closing ranges for actively traded contracts on the contract market.
- Execution of Transactions: The existing eight (8) contracts are listed for trading on CME Globex. The CME Globex platform provides a transparent, open and efficient mechanism to electronically execute trades on screen. The CME ClearPort platform continues to provide a competitive and open execution of transactions by brokers.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that the listing of the eight (8) futures contracts on an additional trading venue complies with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at 212-299-2200 or via e-mail at [CMEGSubmissionInquiry@cmegroup.com](mailto:CMEGSubmissionInquiry@cmegroup.com).

Sincerely,

/s/ Christopher Bowen  
Managing Director and Chief Regulatory Counsel
