

### Interim Clearance Statement of Understanding

I understand that I may receive an offer of employment with the Commodity Futures Trading Commission (CFTC) and enter on duty based on the successful completion of pre-employment investigative checks (fingerprint, credit, resume and Declaration for Federal Employment standard form 306). **These checks are not the final security process.** I also understand that a favorably adjudicated background investigation, National Agency Check and Inquires (NACI), at a minimum to meet Homeland Security Presidential Directive-12: Policy for a Common Identification Standard for Federal Employees and Contractors (HSPD-12), is required for retention in the position for which I have been tentatively selected. My position may require a higher level of investigation, than a NACI, based upon the position sensitivity determined by Human Resources.

I further understand that I may be removed from my position if my background investigation is not favorably adjudicated.
