ORDER OF DISMISSAL

The parties settled this matter after extensive negotiations. Their ability to do so after the case initially appeared incapable of informal resolution is a tribute to the flexibility of both sides, especially complainant's representative, a layperson whose lack of legal training proved no obstacle to his ability to diligently pursue complainant's interests in this complex and difficult case.

A Stipulation of Dismissal has been filed in accordance with Rule 12.21. Accordingly, this proceeding is DISMISSED.
