CFTC Letter No. 14-58  
Exemption  
March 31, 2014  
Division of Swap Dealer and Intermediary Oversight

**Re: "A", a registered commodity pool operator for "B"**

Dear :

This is in response to your letter, dated March 26, 2014, to the Division of Swap Dealer and Intermediary Oversight (the "Division") of the U.S. Commodity Futures Trading Commission (the "Commission"). You request on behalf "A", the commodity pool operator (the "CPO") for "B" (the "Pool"), an exemption from the requirement to have an independent public accountant audit the financial statement of the Pool's annual report pursuant to Commission regulations 4.22(c) and (d) for the fiscal year ending on December 31, 2013.

Based upon the representations made in your letter and other telephone correspondence (the "Correspondence"), we understand the facts to be as follows. You request, on behalf of the CPO, an exemption from the requirement to have an independent public accountant audit the financial statement of the Pool's annual report pursuant to Commission regulations 4.22(c) and (d) for the fiscal year ending on December 31, 2013. You state that the Pool's net asset value as of December 31, 2013 was \$ and two participants one of whom is a principal of the CPO. You have attached a waiver from the other participant evidencing his consent to receive unaudited financial statements for fiscal year 2013. You further state that it is your intention to claim relief under Commission regulation 4.13(a)(1).

Commission regulation 4.22(c) requires a CPO to file an annual report for the pool that complies with its provisions within 90 calendar days after the end of the pool's fiscal year or the permanent cessation of trading, whichever is earlier. Commission regulation 4.22(d) requires, among other things, financial statements in such annual reports to be audited by an independent public accountant. The principal purpose of financial reporting required by Commission regulations 4.22(c) and (d) is to ensure that pool participants receive accurate, fair and timely information on the overall trading performance and financial condition of the pool.

Based upon the representations made in the Correspondence, the Division believes that granting the request of "A" is neither contrary to the purpose of Commission regulations 4.22(c) and (d) nor to public interest. Accordingly, pursuant to the authority delegated by Commission

regulations 140.93 and 4.12(a), “A” is hereby granted relief from the requirement to file and distribute an annual report with audited financial statements to participants of the Pool pursuant to Commission regulations 4.22(c) and (d); provided, that “A” files with the National Futures Association and distributes to participants unaudited financial statements for the fiscal year 2013 within 90 days of the end of the Pool’s 2013 fiscal year.

This letter, and the positions taken herein, represent the view of this Division only, and do not necessarily represent the position or view of the Commission or of any other office or division of the Commission. The relief issued by this letter does not excuse persons relying on it from compliance with any other applicable requirements contained in the Commodity Exchange Act or in the Commission regulations issued thereunder. Further, this letter, and the relief contained herein, is based upon the representations made to the Division. Any different, changed or omitted material facts or circumstances might render this interpretation void.

Should you have any questions, please do not hesitate to contact Amanda Olear, Associate Director, at 202-418-5283.

Very truly yours,
