C.F.T.C.

The Commission hereby amends its order in this matter issued on January 13, 2011 by
revising footnote 3 to read as follows:

This case is being reassigned to a member of the Office of the General Counsel as opposed to the Administrative Law Judge. The Judge recently presided over a related settlement between the defendant and the plaintiff's mother. The Judge's handling of that matter was entirely proper, but given that the record of this case chronicles extensive discussions between the Judgment Officer and the plaintiff concerning that related settlement, the Commission has elected to reassign the case to a member of the Office of the General Counsel out of an abundance of caution.

IT IS SO ORDERED.¹
