**Subject:** The Gold & Silver markets are being manipulated please stop this.

---

Dear Chairman Gary Gensler, Commissioner Michael Dunn, Commissioner Bart Chilton, Commissioner Jill E Sommers, Commissioner Scott O Malia,

I own gold & silver coins as well as gold & silver mining shares. My family is invested in gold & silver coins as well as the mining shares. The market is being manipulated by the United States Government with naked shorting and I want it stopped. Please do something about this.

Thank you for your efforts,

Sincerely,

Bryan Blumenfeld
