Honorable Officials:

I make a formal appeal to you to consult an erudite article by silver expert Theodore Butler dated September 14, 2010. The title is, "Fair, Simple and Sound." Its topic is desperately needed Position Limits in the silver futures market. The article can be found at these three websites:

1. www.investmentrarities.com. Choose "Commentary of Ted Butler" on the left.
2. www.silverseek.com. Choose Articles on the left, then Archives at the bottom, then September 2010 and then Mr. Butler's article at 14 September, 2010.
3. www.butlerresearch.com. Choose Archive at the top. This article is the first choice.

Why not invite Mr. Butler to come before you and share his expertise?

Sincerely and Respectfully,

Robert L. Taylor
