Dear Mr. Stawick:

Dear Sir,

I am a decorated Combat Veteran from Vietnam and I urge you to stop this B.S. going on with Gasoline. You need to take on the Crooks from Morgan Stanley.

If you dont, then I will organize a grass-roots movement that will make Egypt look like a library. America has suffered enough since 2008 and you Sir are a Baffoon for doing nothing. I cannot believe what a Coward you are. What are you afraid of?????

You stated on Jan 4th that this was very complicated??? Its not Get the Crooks out of the Market or we Americans will do it for you... I am not going to starve again because of YOU or any of the Crooks that you are allowing to do this.

Mark LaVally

Sincerely,

Mark LaVally
