Re: Listing of Security Futures Products

Dear Ms. Donovan:

Pursuant to section 5c(c)(2) of the Commodity Exchange Act, as amended (the "Act"), and sections 40.5 and 41.23(b) of the regulations promulgated by the Commodity Futures Trading Commission ("Commission") under the Act, OneChicago, LLC ("OneChicago") submits contract specifications for approval of a new security futures product on streetTRACKS® GOLD TRUST (the "New Product"). The proposed effective date for the New Product is December 10, 2007. The New Product will be subject to the Rules set forth in Chapter IX of the OneChicago rulebook, as supplemented by the specifications supplement attached hereto as Appendix A.

StreetTRACKS Gold Trust (the "Trust") is an investment trust listed on NYSE Euronex ("NYSE").¹ According to the description of the Trust on the NYSE website, the shares of the Trust are intended to offer investors an opportunity to participate in the gold market through an investment in securities. The New Product will give market participants the opportunity to hedge their Trust positions and manage their portfolio risk. OneChicago believes that the New Product promotes competition, and therefore, does not have anticompetitive effects on market participants or others.

¹ On October 28, 2004, the Securities and Exchange Commission ("SEC") approved the listing and trading of streetTRACKS® GOLD TRUST shares on the NYSE. See, 69 FR 64614 (November 5, 2004).

On behalf of OneChicago, I hereby certify that: (a) the security underlying the New Product satisfies the requirements of section 41.21 of the regulations promulgated by the Commission under the Act; (b) arrangements are in place with a clearing agency registered pursuant to section 17A of the Securities Exchange Act of 1934 (the "Exchange Act") for the payment and delivery of the security underlying the New Product; (c) only futures commission merchants, introducing brokers, commodity trading advisors, commodity pool operators or associated persons subject to suitability rules comparable to those of a national securities association registered pursuant to section 15A(a) of the Exchange Act and the rules and regulations thereunder, except to the extent otherwise permitted under the Exchange Act and the rules and regulations thereunder, may solicit, accept any order for, or otherwise deal in any transaction in or in connection with the New Product; (d) dual trading in the New Product is restricted in accordance with section 41.27 of the regulations promulgated by the Commission under the Act; (e) trading in the New Product is not readily susceptible to manipulation of the price of any New Product, nor to causing or being used in the manipulation of the price of any underlying security, option on such security, or option on a group or index including such security, consistent with the conditions for trading of section 41.25 of the regulations promulgated by the Commission under the Act; (f) procedures are in place for coordinated surveillance among OneChicago, any market on which the security underlying a New Product is traded and other markets on which any related security is traded to detect manipulation and insider trading; (g) an audit trail is in place to facilitate coordinated surveillance among OneChicago, any market on which the security underlying the New Product is traded, and any market on which any related security is traded; (h) procedures are in place to coordinate regulatory trading halts between OneChicago and markets on which the security underlying the New Product is traded and other markets on which any related security is traded; and (i) the margin requirements for the New Product will comply with the provisions specified in sections 41.43 through 41.48 of the regulations promulgated by the Commission under the Act.

On behalf of OneChicago, I hereby further certify that the New Product complies with the additional conditions for trading set forth in section 41.25 of the regulations promulgated by the Commission under the Act, and complies with the Act and the regulations thereunder.
