Dear Mr. Jain:

In correspondence dated August 7, 2013, the BSE Ltd (BSE) requested certification that the S&P BSE 100 Index futures contract meets the requirements of section 2(a)(1)(C)(ii) of the Commodity Exchange Act and thus may be offered or sold to persons in the U.S. The BSE requested the 45-day expedited Commission review pursuant to Commission Regulation 30.13(e).

The Division of Market Oversight (Division) has determined that the subject contract meets the requirements of the Commodity Exchange Act. The Division's review was based on the facts and circumstances represented by the BSE in its submission dated August 7, 2013 and received on August 8, 2013, and the attachments to the submission. This letter serves as a notification to the Exchange that the 45-day review period passed as of the close of business on September 23, 2013, and that the subject contract is deemed certified. The contract may be offered and sold to U.S. persons. The Division reminds the BSE that the BSE is responsible for notifying the Commission of any material changes to the facts and circumstances regarding the subject futures contract and the underlying index.

Sincerely,

Thomas Leahy  
Associate Director
