Re: Application of trueEX LLC for Registration as a Swap Execution Facility

Dear Ms. Jurgens:

On behalf of trueEX LLC ("trueEX"), enclosed please find an application for trueEX for registration as a swap execution facility ("SEF") pursuant to Section 5h of the Commodity Exchange Act, as amended (the "Act"), and Commodity Futures Trading Commission ("Commission") Regulation 37.3(b). The application consists of this transmission letter, the enclosed petition for confidential treatment and two enclosed files named "Confidential Submission" and "Non-Confidential Submission", respectively.

trueEX further requests that the Commission grant it temporary registration to operate as a SEF pursuant to Commission Regulation 37.3(c).

trueEX is submitting simultaneously a petition for confidential treatment of such petition and all documents, files and other materials included within the file named "Confidential Submission" (collectively with the petition for confidential treatment, the "Confidential Materials") pursuant to Section 145.9(d) of the Commission's regulations promulgated under the Act. Please take appropriate steps to keep the Confidential Materials confidential and restrict their re-distribution. The Confidential Materials do not include the rulebook of the applicant, the regulatory compliance chart of the applicant, or documents establishing the applicant's legal status or governance structure (the "Non-Confidential Materials"). The Non-Confidential Materials consist of this transmission letter and the materials included within the file named "Non-Confidential Submission".

Questions regarding this application should be addressed to Fran Kenck at fran@trueex.com or (312) 320-8934.

Sincerely,

Fran Kenck
