Contract between the Clearing House and another Clearing Member is subject to this Part 16.

- (b) Each FCM Clearing Member shall have a Proprietary Account and one or more Customer Accounts in which its Contracts shall be registered. Except as provided herein, references in the Rules to a Customer Account of an FCM Clearing Member or to a “class” of Customer Account shall refer to one or more of the DCM Customer Account, Swap Customer Account, Non-DCM/Swap Customer Account or General Customer Account, as applicable, each such account being of a different "class". Notwithstanding anything to the contrary herein, to the extent that pursuant to a CFTC rule, order or exemption (or a Rule of the Clearing House approved thereunder) it is permissible under Applicable Law for Contracts in U.S. Futures, Swaps and/or Non-DCM/Swaps (or related Margin or Permitted Cover) to be co-mingled in a single class of Customer Account, the Clearing House may permit such co-mingling in such class of Customer Account, and references herein to the relevant Customer Account and FCM Customer shall thereupon be construed accordingly. **Without limiting the foregoing, Permitted Co-mingled Contracts shall be treated as Swaps, and not as Non-DCM/Swaps, and the appropriate classes of Customer Account shall be construed accordingly.**
- (c) Each Customer Account of an FCM Clearing Member that has executed a Pledged Collateral Addendum shall be a Pledged Collateral Account. Margin (or Permitted Cover in respect thereof) to be provided by such an FCM Clearing Member in respect of a Customer Account shall be provided in the form of Pledged Collateral, but in all other respects shall be provided in the forms, amounts, times and manners required under Rule 502 and Rule 503.
- (d) The first sentence of Rule 402(a) and the whole of Rule 405(a)(i) shall not apply to an FCM Clearing Member in respect of a Transaction or Contract where it is acting for an FCM Customer. Notwithstanding the characterisation of the relationship between an FCM Clearing Member and its FCM Customer as an agency relationship as between such parties, where an FCM Clearing Member clears a Contract for an FCM Customer, such FCM Clearing Member becomes liable to the Clearing House, and the Clearing House becomes liable to the FCM Clearing Member, on such Contract as though the Contract were for the FCM Clearing Member’s own account, subject in all cases to the provisions of this Part 16. Except as provided by Applicable Law and Rule 1605 with respect to a Customer Account (and further to the second sentence of Rule 402(a)), in performing its obligations and exercising its rights under these Rules, the Clearing House shall treat the entitlement of Clearing Members to rights as against the Clearing House pursuant to Contracts to be a full legal and beneficial entitlement and not subject to any Encumbrance (without affecting the rights of Customer as against the FCM Clearing Member with respect to such Contracts under Applicable Law) in favour of any Person other than the Clearing House (other than pursuant to the Contract Terms).
- (e) Neither Rule 402(a), Rule 405(d), Rule 408 nor clause 3.4 of a Clearing Membership Agreement shall be deemed to preclude an FCM Clearing Member from acting for an FCM Customer in connection with a Contract or Transaction. No such provision shall negate in any manner an FCM Customer’s rights with respect to customer property held by an FCM Clearing Member (and not by the Clearing House).

**Rule 1605**     *Margin and Segregation Rules*

- (a) An FCM Clearing Member shall require each FCM Customer to provide Margin (or Permitted Cover in respect thereof) (such assets, “**FCM Customer Collateral**”) in an amount no less than the amount of Margin of each relevant type required on a gross basis by the Clearing House with respect to the relevant Open Contract Position(s), separately for each relevant class of Customer Account (regardless of whether the FCM Clearing Member is required to provide such Margin to the Clearing House on a gross basis pursuant to Rule 503). For this purpose, “gross basis” shall mean that the margin requirement will be determined giving effect to any offset permitted under the Rules of such Open Contract Positions against Open Contract Positions relating to the same Set of the same FCM Customer in the same class of Customer Account, but without giving effect to any offset or permitted offset of such Open Contract Positions against Open Contract Positions relating to a different FCM Customer.
- (b) With respect to FCM Customer Collateral transferred to the Clearing House in respect of Contracts registered in the DCM Customer Account arising from U.S. Futures (“**FCM U.S. Futures Customer Collateral**”), the Clearing House shall receive and hold such collateral in the Clearing House DCM Segregated Account and shall hold, use and segregate such collateral as customer property in accordance with Section 4d(a) and (b) of the CEA and the regulations of the CFTC thereunder. By means of this Rule, the FCM Clearing Member shall have satisfied the requirement to obtain a segregation acknowledgement letter from the Clearing House under CFTC regulations.
- (c) With respect to FCM Customer Collateral in respect of Contracts registered in the Swap Customer Account arising from Swaps (**including for the avoidance of doubt Permitted Co-mingled Contracts**) (“**FCM Swap Customer Collateral**”):
- (i) An FCM Clearing Member shall receive, hold and use all FCM Customer Collateral only as permitted under CEA Section 4d(f) and the regulations of the CFTC thereunder (and, to the extent applicable, Securities Exchange Act Section 3E(b) and the regulations or any orders of the SEC thereunder) and as further set forth in these Rules and the Procedures (the “**Swap Customer Segregation Requirements**”). The Clearing House shall receive and hold such collateral transferred to the Clearing House in the Clearing House Swap Segregated Account and shall segregate, hold and use all such FCM Swap Customer Collateral as customer property in accordance with the Swap Customer Segregation Requirements. By means of this Rule, FCM Clearing Member shall have satisfied the requirement to obtain a segregation acknowledgement letter from the Clearing House under the Swap Customer Segregation Requirements.
- (ii) Prior to the effectiveness of the Swap Customer Segregation Requirements, Contracts registered in the Swap Customer Account and related FCM Swap Customer Collateral shall be held in the cleared OTC derivative account class for purposes of Part 190 of the CFTC regulations. The Clearing House shall receive and hold such FCM Swap Customer Collateral transferred to the Clearing House in the Clearing House Swap Segregated Account as customer property separated from the proprietary positions and margin of the FCM Clearing Member and shall treat FCM Swap Customer Collateral as belonging

to the FCM Customers of the FCM Clearing Member. Subject to the foregoing, the FCM Clearing Member and the Clearing House shall treat such FCM Swap Customer Collateral in the manner required for segregated customer property with respect to futures contracts under CFTC Rules 1.20-1.30; provided that such customer property shall be accounted for and held separately from, and not in any event commingled with, any such segregated customer property for futures contracts; and provided, further, that such customer property may be commingled by the FCM Clearing Member with customer property segregated or sequestered for purposes of the cleared OTC derivatives account class under the rules of other derivatives clearing organisations to the extent such rules are not inconsistent with the requirements hereof. With respect to Open Contract Positions and related FCM Swap Customer Collateral, the records required to be maintained under Rule 1605(e) will be those that would be required under CFTC regulations for positions subject to segregation under CFTC Rule 1.20 (including pursuant to CFTC Rules 1.32 and 1.36). The provisions of this Rule 1605(c)(ii) shall apply equally to any FCM that is a Customer of a Clearing Member but clears Contracts registered in the Swap Customer Account through an FCM Clearing Member on behalf of the customers of such FCM.

- (d) With respect to FCM Customer Collateral transferred to the Clearing House in respect of Contracts registered in the Non-DCM/Swap Customer Account arising from Non-DCM/Swaps **(other than Permitted Co-mingled Contracts)** (“**FCM Other Transaction Collateral**”), the Clearing House shall hold such FCM Customer Collateral as constituting the foreign futures or foreign options secured amount subject to the requirements of CFTC Rule 30.7. By means of this Rule, the FCM Clearing Member shall have satisfied the requirement to obtain an acknowledgement letter of such status from the Clearing House under CFTC regulations.
- (e) In connection with any Open Contract Position and related FCM U.S. Futures Customer Collateral, FCM Swap Customer Collateral or FCM Other Transaction Collateral provided to the Clearing House, the FCM Clearing Member shall keep and maintain written records with respect thereto as required under Applicable Law. Each FCM Clearing Member shall provide such records to the Clearing House upon request and upon such other basis, if any, as may be provided in the Procedures.

**Rule 1606**     *Additional FCM Clearing Membership Requirements*

Each FCM Clearing Member that has a Customer Account shall execute and deliver to the Clearing House a Pledged Collateral Addendum to its Clearing Membership Agreement, in the form specified by the Clearing House.

**Rule 1607**     *Additional FCM Requirements for Customer Transactions*

- (a) The relationship between an FCM Customer and an FCM Clearing Member in respect of Open Contract Positions for that FCM Customer shall be documented pursuant to and governed by a futures account agreement or clearing agreement (or equivalent document) agreed between such parties, subject to the applicable provisions of these Rules and provided that no such agreement may be inconsistent with these Rules or the Clearing Membership Agreement.
