**AMENDED ORDER**

ICE Clear Europe Limited (“ICE Clear Europe”), a registered derivatives clearing organization (“DCO”), has requested that the Commodity Futures Trading Commission (“Commission”) amend an order dated May 30, 2014 (the “May 2014 Order”) that permits ICE Clear Europe and registered futures commission merchants (“FCMs”) that are its clearing members (“Clearing Member FCMs”) to (i) hold in a futures customer account subject to Section 4d(a) and (b) of the Commodity Exchange Act (“Act”), 7 U.S.C. § 6d(a) and (b), customer money, securities, and property (collectively, “customer property”) used to margin, secure, or guarantee both futures and options on futures (collectively, “futures”) traded on ICE Futures US and foreign futures and foreign options, as defined in Commission Regulation 30.1 (collectively, “foreign futures”), traded on ICE Futures Europe or ICE Endex; and (ii) provide for portfolio margining of such futures and foreign futures.

ICE Clear Europe has requested that the Commission amend the May 2014 Order to extend the relief contained therein to FCMs that clear customer positions at ICE Clear Europe through a Clearing Member FCM because they are not themselves clearing members (“Non-Clearing Member FCMs”).

ICE Clear Europe's request was posted on the Commission's website for public comment. One substantive comment letter was received, and it supported the Commission's issuance of the requested relief.

The Commission has reviewed the request and the record in this matter ("Submission"), and finds that ICE Clear Europe has demonstrated that it can continue to comply with applicable requirements under the Act and the Commission's regulations thereunder. As a result, the May 2014 Order is hereby amended and superseded, and:

**IT IS ORDERED**, pursuant to Section 4d(a) and (b) of the Act, that, subject to the terms and conditions below, ICE Clear Europe, Clearing Member FCMs, and Non-Clearing Member FCMs that are acting pursuant to this order may hold customer property used to margin, guarantee, or secure trades or positions in foreign futures with other customer property used to margin, guarantee, or secure trades or positions in futures in a segregated futures account or accounts maintained in accordance with Section 4d(a) and (b) of the Act (including any orders issued pursuant to Section 4d(a) and (b) of the Act) and the regulations thereunder, and provide for portfolio margining of such futures and foreign futures, subject to the requirements of Commission Regulation 39.13(g)(4). All such customer property shall be accounted for and treated and dealt with as belonging to the futures customers of the participating FCM consistent with Section 4d(a) and (b) of the Act and the regulations thereunder.

**IT IS FURTHER ORDERED**, that:

(1) This order shall only permit foreign futures that are currently traded (as such contracts may be modified from time to time), or that will be traded in the future, on ICE Futures Europe or ICE Endex, and cleared through ICE Clear Europe ("Covered Foreign

Futures Contracts”) to be commingled with futures that are currently traded, or that will be traded in the future, on ICE Futures US, and cleared through ICE Clear Europe, in accounts subject to Section 4d(a) and (b) of the Act.

(2) ICE Clear Europe and each FCM acting pursuant to this order shall hold all customer property deposited with ICE Clear Europe and such FCM, respectively, to margin, guarantee, or secure Covered Foreign Futures Contracts, in accordance with the requirements of Section 4d(a) and (b) of the Act and the Commission's regulations thereunder.

(3) ICE Clear Europe shall at all times fulfill all representations made in the Submission, including all attachments and supporting materials thereto.

(4) Large Trader (Position) Reporting

(a) ICE Clear Europe shall provide to the Commission the information described in Part 16 of the Commission's regulations in the manner described in Parts 15 and 16 of the Commission's regulations with respect to any Covered Foreign Futures Contract that settles against any price of a contract listed for trading on a designated contract market (“ICE Linked Contract”).

(b) Each FCM acting pursuant to this order shall provide to the Commission the information described in Part 17 of the Commission’s regulations in the manner described in Parts 15 and 17 of the Commission’s regulations with respect to all ICE Linked Contracts in which it participates.

(c) Upon request by the Commission, each FCM acting pursuant to this

order, ICE Clear Europe, ICE Futures Europe and/or ICE Endex shall obtain from specified traders and provide to the Commission the information set forth in Part 18 of the Commission's regulations.

(d) If the Commission promulgates a regulation under the Act addressing obligations under Parts 15, 16, 17, and/or 18 of the Commission's regulations, or otherwise affecting any of the obligations under paragraphs (a) through (c) above, then such regulation will, to the extent conflicting or duplicative, supersede the obligations referred to in paragraphs (a) through (c) above.

(5) ICE Clear Europe shall promptly inform the Commission of any material change in applicable foreign laws or regulations relevant to its operation as a DCO clearing for ICE Futures Europe and ICE Endex including, but not limited to, any material change to requirements for Recognised Clearing Houses or Recognised Investment Exchanges (“RIEs”), the status of contracts between ICE Clear Europe and its clearing members as Market Contracts for the purposes of Part VII of the Companies Act of 1989, and any other change in such law or regulations affecting the representations and conclusions contained in the Submission. ICE Clear Europe also shall promptly inform the Commission of any change in ICE Futures Europe’s status as an RIE and any change in ICE Futures Europe’s or ICE Endex’s rules that affects their cooperation with the Commission or with ICE Clear Europe.

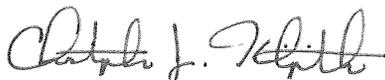

(6) ICE Futures Europe and ICE Endex shall maintain a binding agreement appointing an agent in the United States for purposes of communications, including acceptance of any summons, complaints, orders, subpoenas, requests for information, notice, or any other written document or correspondence issued by or on behalf of the

Commission, the U.S. Department of Justice, or any U.S. clearing member, and ICE Futures Europe and ICE Endex shall promptly inform the Commission of any change in such agent or agreement with such agent.

This order is issued pursuant to Section 4d(a) and (b) of the Act based upon the representations made and supporting material provided to the Commission by ICE Clear Europe in its Submission. Any material changes or omissions in the facts and circumstances pursuant to which this order is granted may require the Commission to reconsider its finding that the relief set forth herein is appropriate. Further, in its discretion, the Commission may condition, modify, suspend, terminate, or otherwise restrict the exemptive relief granted in this order, as appropriate, on its own motion.

Issued in Washington, D.C., this 26th day of March, 2015.

By the Commission

Christopher J. Kirkpatrick

Secretary of the Commission
