MANAGEMENT AND OPERATION

5.01 Management of Company Affairs. (a) The management of the business and affairs of the Company, including the management of the exercise and discharge of the General Partner's rights, powers and duties, is vested exclusively in (i) the Members, acting (x) solely to the extent of any authority or other rights expressly granted directly to one or more of them hereunder, directly, and (y) subject only to sub-clause (x), through the Supervisory Board, and (ii) the Management Board. The respective rights and powers of the Supervisory Board and the Management Board (subject to the proviso to the first sentence of Section 5.05) are specified below in this Section 5.01.

(b) Subject to clause (i)(x) of Section 5.01(a), to clause (ii) of Section 5.01(c) and to Sections 5.03(b) and 5.09, the Management Board shall have the right and power, on behalf of the Company:

(i) to exercise and discharge, or cause to be exercised and discharged, the General Partner's rights, powers and duties; and

(ii) without limiting the generality of clause (i), (x) to consider, and approve or disapprove in its discretion, all matters specified in the ESX Futures LP Agreement to require the approval of the General Partner, and (y) to exercise the specific rights (including approval rights) and powers conferred upon the Management Board pursuant to any other provision of this Agreement or upon the General Partner pursuant to any provision of the ESX Futures LP Agreement.

Without limitation of the generality of the foregoing, the Management Board, at any time and from time to time, may exercise the rights of the General Partner set forth in the ESX Futures LP Agreement (A) to appoint, remove and replace, and direct the actions of the, the ESX Futures GP Officers and (B) from time to time to adopt, amend, repeal or implement rules, not inconsistent with the terms hereof, concerning the governance, management, operations, products, trading standards and protocols, disciplinary and dispute resolution procedures of, and participation in, the markets for derivative instruments offered by ESX Futures (as adopted and in effect from time to time, the "Rules"). All actions, including all determinations, of the Management Board or any committee thereof, other than those actions specified in Section 5.01(d), must be approved by the Supervisory Board in order to constitute a binding act or determination of the Company, including to constitute a binding act or determination of the General Partner.

(c) The Supervisory Board:

(i) shall have the authority to consider, and approve or disapprove in its discretion, (x) except as otherwise specified in Section 5.01(d), any act or determination of the Management Board or any committee thereof, and (y) all other matters specified in this Agreement to require the approval of the Supervisory Board;

(ii) shall have the authority to (and (subject to the proviso to the first sentence of Section 5.05) no other consent of the Management Board shall be required in order to), subject to Sections 5.03(b) and 5.09 and Article XIII hereof and to Section 5.04 and Article XIII of the ESX Futures LP Agreement, authorize and cause the Company and/or, as general partner of ESX Futures, ESX Futures or any of its Subsidiaries to (t) cause ESX Futures or any of its Subsidiaries to offer any Non-Futures Products, (u) approve or modify from time to time any Annual Budget, (v) cause the Company or the Partnership or any of their respective Subsidiaries to make any distribution, (w) issue GP Units and LP Units in accordance with Sections 3.04 and 3.05 hereof and Sections 3.04 and 3.05 of the ESX Futures LP Agreement, (x) effect any Sale, (y) merge or consolidate with any other Person or Persons or (z) dissolve in accordance with Article X hereof or Article X of the ESX Futures LP Agreement, as applicable (and in each case to approve the terms of, and the execution, delivery and filing by or on behalf of the Company or the General Partner on behalf of ESX Futures of, all related agreements or other instruments), and to exercise all rights and powers of the General Partner in connection with any of the foregoing; and

(iii) shall have the specific rights (including approval rights) and powers conferred upon it pursuant to any other provision of this Agreement.

(d) The Supervisory Board shall have no review or approval authority over (i) any action by the Regulatory Oversight Committee, except, in accordance with Section 5.01(e), as they may pertain to budgetary matters, or (ii) any action by the Market Practices Committee establishing or modifying contract specifications, trading protocols and conventions for the ESX Futures Platform.

(e) The Supervisory Board's review of Regulatory Oversight Committee budgeting proposals shall be limited to review of the Regulatory Oversight Committee's annual operating and capital budgets and to expenditures of the Regulatory Oversight Committee which are outside any such approved existing annual operating and capital budgets. The Supervisory Board's consideration of any Regulatory Oversight Committee budget-related proposal in accordance with the preceding sentence shall be conducted in a separate special meeting of the Supervisory Board and any minutes thereof shall be provided to the CFTC within fourteen (14) days of the meeting date if the Supervisory Board rejects any such Regulating Oversight Committee recommendation or initiative (or otherwise

promptly upon the CFTC's request). A member of the Regulatory Oversight Committee shall be present at any such special meeting of the Supervisory Board, so as to be available to explain the reasoning of the Regulatory Oversight Committee and otherwise be able to participate fully in the Supervisory Board's deliberations at such meetings, but (for the avoidance of doubt) such Regulatory Oversight Committee member shall not be entitled to vote at any such special Supervisory Board meeting. The General Partner shall provide that the Partnership's Annual Budget shall allocate a reasonable amount of money to permit the Regulatory Oversight Committee to obtain limited outside expert assistance, such as outside legal advice, as needed without having to request funding from the Management Committee or the Supervisory Board.

(f) No individual Governing Board Member, solely by virtue of his or her position as such a Governing Board Member, shall have the power to bind the Company, including to bind ESX Futures by acting on behalf of the General Partner. Nothing in this Section 5.01(f) (i) limits the power of the Supervisory Board or the Management Board, in accordance with this Article V, to delegate Persons to act on behalf of, or otherwise to bind, the Company (including as General Partner) or (ii) limits or qualifies Article XII.

(g) Without limitation of, and subject to, any authority or other rights expressly granted directly to one or more of the Members hereunder (including in Section 3.06), no Member, solely by virtue of its status as a Member, shall have any management power over the business and affairs of the Company (including as General Partner) or actual or apparent authority to enter into contracts on behalf of, or otherwise to bind, the Company (including as General Partner).

5.02 Supervisory Board; Designation; Removal. (a) There is hereby established a management committee of the Members (the "Supervisory Board"). The Supervisory Board shall consist of a number of members (collectively, the "SB Members"), not exceeding 17, comprised of (and appointed as follows):

(i) (x) prior to any division of the eSpeed GP Units into two or three classes of Units pursuant to Section 3.01, the eSpeed GP Units shall have the right, so long as any Person together with its Affiliates owns a majority of such eSpeed GP Units and at least 7%, 10% or 15% of the aggregate Voting GP Units, to appoint from time to time one, two or three, respectively, SB Members, and (y) from and after any division of the eSpeed GP Units into two or three classes of Units pursuant to Section 3.01, each class of eSpeed GP Units shall have the right, so long as any Person together with its Affiliates owns a majority of such class of eSpeed GP Units and at least 10% of the aggregate Voting GP Units, to appoint from time to time one SB Member (each SB Member appointed from time to time pursuant to this clause (i), so long as he or she remains an SB Member, an "eSpeed GP Unit SB Designee"); and

(ii) each class of Participant GP Units shall have the right, so long as any Person together with its Affiliates owns a majority of such class of Participant GP Units and at least 9% of the aggregate Voting GP Units, to appoint from time to time one SB Member (each SB Member appointed from time to time pursuant to this clause (ii), so long as he or she remains an SB Member, a "Participant GP Units SB Designee").

Upon any issuance of Voting GP Units resulting in the aggregate number of Voting GP Units exceeding 1,000, or occurring at a time when the aggregate number of Voting GP Units exceeds 1,000, the various percentage figures set forth in clauses (i) and (ii) of this Section 5.02(a) shall be reset to equal such percentages multiplied by a fraction the numerator of which equals 1,000 and the denominator of which equals the aggregate number of Voting GP Units outstanding after giving effect to such issuance.

(b) The holders of the Participant GP Units from time to time also shall have the right from time to time to select (including to change any prior selection) one of the Participant GP Units SB Designees to serve as the Chairman of the Supervisory Board, and the holders of the eSpeed GP Units from time to time shall have the right from time to time to select (including to change any prior selection) one of the eSpeed GP Units SB Designees to serve as the Vice-Chairman of the Supervisory Board. Such right of such holders of Participant GP Units or holders of eSpeed GP Units, as the case may be, shall be exercised by the act of the holders of a majority of the aggregate outstanding Participant GP Units or the holders of a majority of the aggregate outstanding eSpeed GP Units, respectively. The Chairman of the Supervisory Board shall preside at all meetings thereof. The Vice-Chairman of the Supervisory Board shall, in the absence or inability to act of the Chairman of the Supervisory Board, act in his or her place. If the Chairman or Vice-Chairman of the Supervisory Board ceases to be an SB Member, he or she automatically also shall cease to be Chairman or Vice-Chairman of the Supervisory Board, respectively. Neither the Chairman nor the Vice Chairman of the Supervisory Board constitutes a GP Officer.

(c) Each SB Member must at all times be a full-time employee or an officer of, or of an Affiliate of, the Member (or one of the Members, as the case may be) appointing such SB Member. An individual that, upon his or her becoming an SB Member, would not to any extent meet such criteria shall not be eligible to be an SB Member in the first instance. If, at any time, an SB Member ceases to any extent to meet such criteria, such individual automatically shall cease to be an SB Member.

5.03 Supervisory Board Decision-Making.

(a) Subject to Sections 5.03(b) and 5.09, the Supervisory Board shall act in all instances only with the approval, either at a meeting or by written consent, of SB Members whose SB Member Corresponding GP Units in the

aggregate represent at least a majority of the aggregate SB Member Corresponding GP Units of all SB Members (the "SB Requisite Approval").

(b) Each of the following will require the approval of SB Members (A) whose SB Member Corresponding GP Units in the aggregate represent at least 65% of the then-outstanding SB Member Corresponding GP Units and (B) solely in the case of clause (iii) below, constituting a majority of the SB Members appointed by Persons (or Affiliates of Persons) that are then designated as primary dealers by the Federal Reserve Bank of New York: (i) the dissolution of, or the discontinuation of the business of, the Company or the Partnership or any of their respective Subsidiaries; (ii) the direct or indirect sale or other disposition (whether by asset sale, sale of equity, merger, consolidation or otherwise) of (x) the Company or ESX Futures or any of their respective Subsidiaries or (y) all or any substantial portion of any business, or all or any substantial portion of the assets, of the Company or of ESX Futures or any of their respective Subsidiaries (including any direct or indirect sale or other disposition by the Company of any portion of its interest in ESX Futures or its rights under the ESX Futures LP Agreement) (a "Sale"); (iii) any action of the Company or ESX Futures or any of their respective Subsidiaries to offer any trading in Non-Futures Products; (iv) any issuance of Participant GP Units pursuant to Section 3.04(b); (v) any grant or other issuance of any GP Units or LP Units (or of any option, or other right, to acquire any GP Units or LP Units) to any GP Officer or LP Officer; or (vi) any agreements to effect any of the foregoing.

5.04 Management Board; Designation; Removal. (a) There is hereby established a class of managers of the Company (collectively, the "Management Board"; the Supervisory Board and the Management Board may be referred to herein as the "Governing Boards"). The Management Board shall consist of a number of individuals (collectively, the "MB Members" and, together with the SB Members, the "Governing Board Members"), not exceeding 30, comprised of (and appointed as follows):

(i) (x) prior to any division of the eSpeed GP Units into two or three classes of Units pursuant to Section 3.01, the eSpeed GP Units shall have the right, so long as any Person together with its Affiliates owns a majority of such eSpeed GP Units and at least 10%, 20% or 30% of the aggregate Voting GP Units, to appoint from time to time one, two or three, respectively, MB Members, and (y) from and after any division of the eSpeed GP Units into two or three classes of Units pursuant to Section 3.01, each class of eSpeed GP Units shall have the right, so long as any Person together with its Affiliates owns a majority of such class of eSpeed GP Units and at least 10% of the aggregate Voting GP Units, to appoint from time to time one MB Member (each MB Member appointed from time to time pursuant to this clause (i), so long as he or she remains an MB Member, an "eSpeed GP Units MB Designee", and an eSpeed GP Unit SB Designee or eSpeed GP Unit MB Designee, an "eSpeed GP Units GB Designee");

(ii) each class of Participant GP Units shall have the right, so long as any Person together with its Affiliates owns a majority of such class of Participant GP Units and at least 50% of the aggregate Voting GP Units, to appoint from time to time one MB Member (each MB Member appointed from time to time pursuant to this clause (ii), so long as he or she remains an MB Member, a "Participant GP Units MB Designee"; a Participant SB Designee or Participant MB Designee, a "Participant GP Units GB Designee"; and an eSpeed GP Units GB Designee or Participant GP Units GB Designee, a "GB Designee");

(iii) the individual serving from time to time as the "Chief Executive Officer" of the Partnership pursuant to the ESX Futures LP Agreement; and

(iv) a number of individuals meeting the criteria for Public Directors set forth in the CEA (and, to the extent not inconsistent with the CEA and to the extent applicable, the Rules) equal to the lowest amount necessary in order to comply with the Public Director requirements of the CEA in relation to ESX Futures (such required amount from time to time, the "Required Independent MB Member Amount" and the percentage of MB Members so required from time to time to be Public Directors, the "Required Independent Percentage"), designated from time to time (x) until immediately after the later of (A) ESX Futures being designated as a DCM or (B) the first appointment of a slate of such Public Directors upon or after ESX Futures being designated as a DCM, by the holders of a majority of the then outstanding eSpeed GP Units after consultation with the other Members, and (y) subject to Section 5.06(b), from and after the later of the two dates specified in sub-clauses (A) and (B) of clause (x), by the holders of the Voting GP Units by cumulative voting (each MB Member appointed from time to time pursuant to this clause (iv), so long as he or she remains an MB Member, an "Independent MB Member"; and the Independent MB Member(s) and the individual serving from time to time as the "Chief Executive Officer" of the Partnership pursuant to the ESX Futures LP Agreement, in his or her capacity as a member of the Management Board, collectively the "Non-Founder MB Members").

Upon any issuance of Voting GP Units resulting in the aggregate number of Voting GP Units exceeding 1,000, or occurring at a time when the aggregate number of Voting GP Units exceeds 1,000, the various percentage figures set forth in clauses (i) and (ii) of this Section 5.02(a) shall be reset to equal such percentages multiplied by a fraction the numerator of which equals 1,000 and the denominator of which equals the aggregate number of Voting GP Units outstanding after giving effect to such issuance. As of the Execution Date, the Required Independent MB Member Amount and Required Independent Percentage are 5 and 5%, respectively. If, at any time, the number of Independent MB Members exceeds the Required Independent MB Member Amount, then Independent MB Member(s) shall be removed from the Management Board until the number of Independent MB

Member(s) equals the Required Independent MB Member Amount, such Independent MB Member(s) to be so removed to be selected by a majority of the Voting GP Units.

(b) Each MB Member (other than the Independent MB Member(s)) must at all times be a full-time employee or an officer of, or of an Affiliate of, the Member (or one of the Members, as the case may be) appointing such MB Member. Each MB Member must at all times meet any eligibility criteria for service on the Management Board specified in the Rules and, in the case of the Independent MB Member(s), the criteria for Public Directors set forth in the CEA (and, to the extent not inconsistent with the CEA and to the extent applicable, the Rules). An individual that, upon his or her becoming an MB Member, would not to any extent meet the relevant criteria set forth above in this Section 5.04(b) shall not be eligible to be an MB Member in the first instance. If, at any time, an MB Member ceases to any extent to meet the relevant criteria set forth above in this Section 5.04(b), such individual automatically shall cease to be a MB Member.

5.05 Management Board Decision-Making. The Management Board shall act in all instances only with the approval, either at a meeting or by written consent, of an absolute majority of the MB Members; provided that, any term of this Agreement to the contrary notwithstanding, entry into any contract or transaction by the Company or the Partnership or any of their respective Subsidiaries with or for the benefit of a Member or an Affiliate of a Member (or any other Person that would be considered to be collectively Controlled by two or more Members and/or Affiliates of Members if such multiple Members and/or Affiliates were considered in the aggregate as a single Person) (any such Member, or multiple Members, as the case may be, "Interested Member(s)") shall, at the request of any SB Member, require (in addition to the approval of the Supervisory Board pursuant to Section 5.03 and even if entry into such contract or transaction, but for this proviso, would not require the approval of the Management Board) the approval, either at a meeting or by written consent, of an absolute majority of the MB Members other than any MB Member(s) representing any such Interested Member(s) (the relevant approval specified above in this sentence, "MB Requisite Approval"). For purposes of the proviso set forth in the preceding sentence, a particular MB Member shall be considered to "represent" Interested Member(s) if such Interested Member(s) and/or Affiliates of such Interested Member(s) own a majority of the MB Member Corresponding GP Units in relation to such MB Member.

5.06 Certain Terms Regarding Governing Board Members in General.

(a) Each GB Designee shall serve on the relevant Governing Board until such person's successor shall be duly appointed, or (if earlier) until the earlier of (i) such person's death, retirement or resignation, (ii) such person automatically ceasing to be a Governing Board Member as provided in Section 5.02(c) or 5.04(b), as applicable, or Section 5.06(c), or (iii) such person's removal or replacement pursuant to Section 5.06(d).

(b) Except for the initial appointment of any individual appointed (i) to replace another Independent MB Member whose service ended pursuant to clause (B) or (C) of the following sentence or (ii) because of an increase in the Required Independent MB Member Amount, all Independent MB Members shall be elected (x) initially as provided in clause (x) of Section 5.04(a)(iv) and (y) thereafter as provided in clause (y) of Section 5.04(a)(iv) at an election, of all of the Independent MB Members, held on each two-year anniversary of the date of the first appointment of Independent MB Members pursuant to clause (x) (or, if any such two-year anniversary is not a Business Day, on the next following Business Day). The term of each Independent MB Member (no matter how appointed) shall end at the earlier of (A) the next regularly scheduled election of Independent MB Members as specified in the preceding sentence, (B) such person's death, retirement or resignation or (C) such person's earlier removal or replacement pursuant to Section 5.06(d).

(c) Each GB Designee whose class of Voting GP Units cease to meet the criteria for appointing a Governing Board Member in Section 5.02 or Section 5.04, respectively, thereupon automatically shall cease to be a Governing Board Member (and such Governing Board Member cannot be replaced pursuant to Section 5.06(d)), and the number of eSpeed GP Units GB Designees or Participant GP Units GB Designees, as applicable, thereupon shall decrease accordingly. Each class of Voting GP Units that loses the right to appoint one or more Governing Board Members and whose class of Voting GP Units subsequently once again meets the criteria for appointing one or more Governing Board Members specified in Section 5.02 and Section 5.04, thereupon shall automatically regain the right to appoint such Governing Board Member(s).

(d) Each GB Designee may be removed or replaced, at any time and for any reason whatsoever (or for no reason), by action of the holders of the class of Voting GP Units that appointed such Governing Board Member. Each Independent MB Member may be removed or replaced, at any time, (i) prior to ESX Futures becoming a DCM, by the holders of a majority of the outstanding Voting GP Units, with or without cause, or (ii) from and after ESX Futures becoming a DCM, (A) for cause (including disability), by action of the holders of a majority of the outstanding Voting GP Units, or (B) without cause, by action of the holders of a number of outstanding Voting GP Units such that the aggregate amount of outstanding Voting GP Units not joining in such action to remove such Independent MB Member would not be sufficient to elect such individual to be an Independent MB Member if then all cumulatively voted for such individual at a bi-annual election of all of the Independent MB Members, provided that during such time as ESX Futures shall be a DCM, no Independent MB Member may be removed without cause unless such person has served as an Independent MB Member for at least the 365 days prior to such removal.

(e) A failure at any time (due to any failure to appoint Governing Board Member(s), disqualification, death, retirement, resignation or removal of any Governing Board Member(s), or otherwise) of a Governing Board to have its full

complement of Governing Board Members as specified in Section 5.02(a) or 5.04(a), as applicable, shall not affect the power of such Governing Board or the validity of any of its actions, provided, in the case of any failure of the Management Board, after ESX Futures being designated as a DCM, to have the Required Independent MB Member Amount, the holders of a majority of the outstanding Voting GP Units shall, as promptly as practicable, designate additional Independent MB Member(s) necessary to meet such Required Independent MB Member Amount and, if such Required Independent MB Member Amount is not met within 30 days of the commencement of such failure, the Independent MB Members shall have the power, so long as such failure continues to exist, to designate additional Independent MB Member(s) to the extent necessary to meet such Required Independent MB Member Amount. Similarly, no vote or consent of a Governing Board, or any committee thereof, and no action of the Company or the Partnership (including by General Partner) pursuant to any such vote or consent, shall be rendered invalid or otherwise affected solely because the vote or consent of one or more individuals who, but for Section 5.02(c) or 5.04(b), would have constituted Governing Board Members but who in fact had been disqualified pursuant to Section 5.02(c) or 5.04(b) from service on such Governing Board was counted in such Governing Board vote or action (or because such disqualified individual(s) otherwise were involved in the consideration of such matter).

5.07 Meetings of the Governing Boards.

(a) Each Governing Board shall hold regular meetings no less frequently than quarterly, on such specific dates, and at such times, as shall be established from time to time by such Governing Board. However, the failure of a Governing Board to hold, or any delay in holding, any such regular meeting shall not affect the authority of such Governing Board to take action at any meeting of the Governing Board that is held (or by written consent).

(b) Special meetings of a Governing Board may be held at any time, (i) upon not less than two Business Days' prior written notice with respect to meetings at which the applicable Governing Board Members are expected to attend at a single location, and upon not less than one Business Day's prior written notice with respect to conference telephone or similar communications meetings, in each case given by the Chairman or the Vice Chairman to the other SB Members or to the MB Members, as the case may be, and (ii) as otherwise determined by such Governing Board.

(c) Except as otherwise established from time to time by a Governing Board, all meetings of such Governing Board shall be held at the principal office of ESX Futures, where it may be located from time to time. Any Governing Board Member may waive notice to such Governing Board Member of a meeting of the relevant Governing Board, in writing, before, at or after the meeting. The attendance of any Governing Board Member at any meeting of a Governing Board shall constitute a waiver of notice of such meeting by such Governing Board Member, except where such Governing Board Member attends a

meeting for the express purpose of objecting to the transaction of any business because the meeting is not properly called or convened. Such objections shall be issued in writing to each other Governing Board Member of the relevant Governing Board.

(II) the Receiving Member or any of its Affiliates may make such disclosure of such Confidential Information in its financial statements (including in the notes or schedules thereto) as it may determine in good faith to be necessary so that such financial statements comply with GAAP and may make such disclosure of such financial statements as it may determine in good faith; and

(b) The Receiving Member's obligations under Section 6.02(a) shall continue to apply in relation to any former Affiliate of the Receiving Member, with respect to (and only with respect to) Confidential Information of which such former Affiliate was aware of at the time it ceased to be an Affiliate of the Receiving Member. Similarly, the Receiving Member's obligations under Section 6.02(a) shall continue to apply in relation to any Person that was, but has ceased to be, an Agent of the Receiving Member or of an Affiliate of the Receiving Member, with respect to (and only with respect to) Confidential Information disclosed to such Agent (as such) while it was such an Agent. This Section 6.02(c) is in addition to, and not in limitation of, Sections 6.02(a) and (b).

(d) The obligations of a Person under Sections 6.02(a), (b) and (c) shall survive such Person ceasing to be a Member or the dissolution of the Company only for a period of (i) with respect to any Confidential Information which constitutes a trade secret, the greater of the time period such Confidential Information remains a trade secret or the period of two years after such disassociation date or dissolution of the Company, as the case may be, and (ii) with respect to any Confidential Information which does not constitute a trade secret, and with respect to Section 6.02(c) in general, two years after such disassociation date or dissolution of the Company, as the case may be.

ARTICLE XII

FIDUCIARY DUTIES

12.01 Fiduciary Duties and Liability of Company Officials.

(a) No GB Designee, in his or her capacity as such, shall owe any fiduciary duty to the Company or its Members (other than any duty, to the Persons specified in the following sentence, to act as specified in the following sentence, of this Section 12.01(a)) or to ESX Futures or its Limited Partners. Without limitation of the generality of the preceding sentence, (i) each GB Designee, in his or her capacity as such, may act in accordance with the directions from time to time of the holders of a majority of such GB Designee's Corresponding GP Units, and in the absence of such directions may refuse to take any action or may, in his or her discretion, act (or refrain from acting) solely according to what he or she in good faith believes to be in the best interests of the holders of such Corresponding GP Units generally (or may act according to such other arrangements as such GB Designee and the holders of such Corresponding GP Units may agree among themselves), and (ii) none of the foregoing shall be deemed to breach any fiduciary duty that, pursuant to this Agreement or at law or in equity, any GB Designee otherwise would be deemed to have to the Company or its Members or to ESX Futures or its Partners. Without limitation of the generality of the foregoing, a GB Designee may present or offer to the holders of its Corresponding GP Units or any of their respective Affiliates, instead of to the Company or ESX Futures, any particular investment or business opportunity (including those presented in the first instance to such GB Designee in his or her capacity as a Governing Board Member), regardless of whether the Company or ESX Futures could take advantage of such opportunity, and shall not be deemed to have breached any fiduciary duty to the Company or its Members, or to ESX Futures or its Limited Partners by doing so. Nothing in this Section 12.01(a) (i) limits the fiduciary duties of a GB Designee that also is an GP Officer or an LP Officer (solely in relation to such service as a GP Officer or LP Officer, as the case may be) or (ii) limits Section 12.03.

(b) The Non-Founder MB Members shall owe fiduciary duties to the Company and all of its Members and to ESX Futures and all of its partners, but such fiduciary duties shall be the same (and only the same) as the fiduciary duties owed to a corporation organized under the Delaware General Corporation Law (and not electing to be governed by Subchapter XIV thereof) by a similarly situated director thereof. The GP Officers shall owe fiduciary duties to the Company and its Members and to ESX Futures and all of its Partners, but such fiduciary duties shall be the same (and only the same) as the fiduciary duties owed to a corporation organized under the Delaware General Corporation Law (and not electing to be governed by Subchapter XIV thereof) by a similarly situated officer thereof. Anything in the preceding sentences of this Section 12.01(b) to the contrary notwithstanding (but without increasing the scope of fiduciary duties described therein), (i) no officer or employee of eSpeed or any of its Affiliates the services of which are made available to ESX Futures or ESX Futures Holdings pursuant to the Administrative Services Agreement shall owe any fiduciary duty to the Company or its Members or to the Partnership or its Partners and (ii) without limitation of clause (i), no person shall be liable for monetary damages to the Company or its Members, or to the Partnership or its Partners, for losses sustained or liabilities incurred by the Company or the Partnership, respectively, as a result of any act or omission of such person as a Non-Founder MB Member or a GP Officer, provided that clause (ii) of this sentence shall not apply to (x) acts or omissions of such person constituting a breach of such person's duty of loyalty to the Company or its Members, or to the Partnership or its Partners, respectively, or constituting bad faith, intentional misconduct or a knowing violation of law, or (y) any transaction from which such person derived an improper personal benefit. Without limitation of the foregoing, a Non-Founder MB Member or a GP Officer shall be fully protected in relying in good faith upon the records of the Company or the Partnership and upon information, opinions, reports or statements presented by another Governing Board Member or GP Officer, an LP Officer, an employee of ESX Futures, or by any other Person as to matters the Non-Founder MB Member or GP Officer reasonably believes are within such other Person's professional or expert competence, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits or losses of the Company or ESX Futures, or the value and amount of assets or reserves or contracts, agreements or other undertakings that would be sufficient to pay claims and obligations of the Company or ESX Futures or to make reasonable provision to pay such claims and obligations, or any other facts pertinent to the existence and amount of assets from which distributions to Members or partners of ESX Futures or creditors of the Company or ESX Futures might properly be paid.

12.02 Fiduciary Duties of Members. (a) No Member, in its capacity as such, has any duty (including any fiduciary duties) to the Company, any other Member(s), the Partnership or any of its Partners, except for the duties (if any) expressly set forth herein. Without limitation of Section 12.01 or the preceding sentence, each Member, in its capacity as such, may act (or refrain from acting), and each Member may instruct its GB Designees, in their capacity as such, to act (or refrain from acting) solely according to the interests (or the perceived interests)

of such Member, and none of the foregoing shall be deemed to breach any fiduciary duty that, pursuant to this Agreement or at law or in equity, such Member otherwise would be deemed to have to the Company or any other Member(s) or to ESX Futures or any of its Limited Partners. Sections 12.02(b) and (c) are intended to be in furtherance of, and not in limitation of, this Section 12.02(a).

(b) Without limiting the generality of Section 12.02(a), no Member, and no Affiliate of a Member, shall be expressly or implicitly restricted or proscribed pursuant to this Agreement, or otherwise by virtue of its status or that of its Affiliate as a Member, from engaging in any other business or other activities (for profit or otherwise), whether in the businesses engaged in by the Company or ESX Futures or any of their respective Subsidiaries or otherwise, including any businesses or activities in direct competition with the business or activities of the Company or ESX Futures or any of their respective Subsidiaries. Without limitation of the immediately preceding sentence, each Member and each Affiliate of a Member shall have the right to engage in businesses of every type and description and to engage in and possess an interest in other business ventures of any and every type or description, independently or with others, including business interests and activities in direct competition with the business and activities of the Company or ESX Futures or any of their respective Subsidiaries, and none of the same shall constitute a breach of this Agreement or of any fiduciary duty such Member or Affiliate thereof otherwise might be deemed to owe to the Company or any of its Members or to ESX Futures or any of its Partners. Neither the Company or ESX Futures or any of their respective Subsidiaries shall have any rights in any business ventures of any Member(s) or any Affiliate(s) of any Member(s), and no Member and no Affiliate of any Member shall have any obligation to offer any interest in any such business ventures to the Company or ESX Futures or any of their respective Subsidiaries, any other Member(s), any Limited Partner(s) or any other Person(s). This Section 12.02(b) does not address usurpation of corporate, partnership or limited liability company opportunity, which is addressed in Section 12.02(c).

(c) Without limiting the generality of 12.02(a) or 12.02(b), no Member or Affiliate of a Member shall be obligated to present or offer to the Company or ESX Futures any of their respective Subsidiaries any particular investment or business opportunity (including those presented to a Governing Board Member), regardless of whether the Company or ESX Futures or any of their respective Subsidiaries could take advantage of such opportunity, but may avail itself of any such opportunity for its own benefit; subject to Section 12.03, each Member hereby waives (on behalf of itself and (together with the other Members) the Company) any and all rights which such Member (or the Company) have now or may have in the future against any other Member (or any other Member's Affiliates or designees to a Governing Board) by reason of the doctrine of usurpation of corporate, partnership or limited liability company opportunity. Nothing in this Section 12.02(c) limits the fiduciary duties of an Affiliate of a Limited Partner that also is an GP Officer or an LP Officer (solely in relation to such service as a GP Officer or LP Officer, as the case may be), provided that this sentence does not apply to any personnel of eSpeed or any of its Affiliates the services of which are

made available to ESX Futures or ESX Futures Holdings pursuant to the Administrative Services Agreement.

12.03 Qualifications of Sections 12.01 and 12.02. Nothing in Section 12.01 or 12.02 (i) eliminates, limits or otherwise modifies, or permits any violation of, (x) the implied contractual covenant of good faith and fair dealing between the Members in relation to the Company and this Agreement or (y) any of the express terms of this Agreement (including Section 6.02) or any Related Party Agreement, or (ii) permits (x) conduct that under applicable law would otherwise constitute misappropriation of a trade secret of the Company, ESX Futures or any of their respective Subsidiaries or (y) any other conduct that, even disregarding the terms hereof and the status of the Person that engages in such conduct as a Governing Board Member or as a Member or an Affiliate of a Member, otherwise would be actionable by the Company, the Partnership, a Member or a Limited Partner.

12.04 Effect of Amendments. Each Person (other than the Members, who are direct beneficiaries of this Article XII) whose liability is limited under this Article XII is hereby constituted an intended third-party beneficiary of this Article XII. This Article XII may be amended, modified or repealed in the manner set forth elsewhere in this Agreement, but any amendment, modification or repeal of this Article XII or any provision hereof (including as a result of any amendment, modification or repeal of the Delaware General Corporation Law) shall (unless, with respect to any particular third-party beneficiary of this Article XII as specified in the preceding sentence, such Person shall expressly have consented to such amendment, modification or repeal) be prospective in effect only and (without limitation of the foregoing) shall (unless, with respect to any such third-party beneficiary, such person shall expressly have consented to such amendment, modification or repeal) not in any way affect the protections afforded by this Article XII as in effect immediately prior to such amendment, modification or repeal with respect to acts or omissions occurring (or to the extent occurring) prior to such amendment, modification or repeal.

ARTICLE XIII

AMENDMENT OF AGREEMENT; CERTAIN PROSCRIBED ACTIONS

13.01 Amendments. Subject to Sections 5.09 and 13.02, this Agreement may be amended by, but only by, a written instrument signed by Members holding in the aggregate 65% of all of the then outstanding Voting GP Units.

13.02 Certain Restrictions. (a) Anything in this Agreement to the contrary notwithstanding, (i) no amendment of this Agreement and/or the ESX Futures LP Agreement that would materially adversely, and disproportionately, affect any particular Member(s) shall be effective (or shall be approved by the Company as the General Partner), and neither the Company nor the Partnership (nor the Supervisory Board nor the Management Board) may take any action (including but not limited to amendments) that materially adversely, and disproportionately,

affects any particular Member(s) (as such) (other than enforcement of the terms hereof), in each case without the written consent of such Member(s), (ii) no amendment of this Agreement may directly and materially enlarge the obligations of any Member under this Agreement (including to impose any capital contribution obligation on any Member) without such Member's written consent, (iii) neither the Company nor ESX Futures (nor any of their respective Subsidiaries) may form, acquire or otherwise have any Subsidiary unless (x) upon first becoming such a Subsidiary, such Subsidiary is a wholly-owned Subsidiary of the Company or ESX Futures, as the case may be, and (y) all of the provisions hereof and of the ESX Futures LP Agreement, including the governance provisions hereof and of the ESX Futures LP Agreement and the provisions of Schedule I hereto and Schedule I, to the ESX Futures LP Agreement, apply in relation to such Subsidiary in the same manner and with the same effect (including in relation to enforceability by the Members and the Limited Partners) as such provisions apply in relation to ESX Futures itself, provided that this clause (iii) shall not apply to an Unrestricted Subsidiary, and (iv) any amendment of (or any amendment of this Agreement and/or the ESX Futures LP Agreement inconsistent with) this Section 13.02(a) or Section 13.02(d) may be effected by, but only by (in addition to any consent required under the ESX Futures LP Agreement), a written instrument signed by all of the Members.

(b) In addition to and without limitation of Section 13.02(a) but otherwise anything in this Agreement to the contrary notwithstanding, the following amendments may be effected by, but only by (in addition to any consent required under Section 13.02(a) or the ESX Futures LP Agreement), a written instrument signed by Members holding in the aggregate 80% of all of the then-outstanding Voting GP Units:

(i) any amendment of this Agreement and/or the ESX Futures LP Agreement that, directly or indirectly, would dilute or otherwise adversely affect the rights, powers or authority of the Supervisory Board in relation to the management of the business and affairs of the Company, ESX Futures and/or any of their respective Subsidiaries; or

(ii) any amendment of (or any amendment of this Agreement and/or the ESX Futures LP Agreement inconsistent with) (x) Section 3.05, Section 3.06(b) (in relation to clause (y) thereof), Section 3.07, Section 5.02(a), Section 5.03, Section 5.05, Section 5.09, Section 9.01(b), this Section 13.02(b), or Schedule I hereto; (y) Section 3.05, Section 3.06(b) (in relation to clause (y) thereof), Section 3.07, Section 5.04 or Section 9.01(b), or Schedule I to the ESX Futures LP Agreement; and/or (z) (for the avoidance of doubt) the definition of any defined terms to the extent used in any provision referred to in clauses (x) or (y) above.

(c) For the avoidance of doubt, no amendment of this Agreement (including of this Section 13.02(c)) after the date on which a Person shall cease to

be a Member shall be effective as against such Person as a former Member without the consent of such former Member.

(d) For the avoidance of doubt, for purposes of this Section 13.02, an "amendment" (or like term) includes (i) any amendment in connection with (including any replacement of this Agreement and/or the ESX Futures LP Agreement in connection with (including the adoption of a governing document for any Person surviving or resulting from)) any merger or consolidation involving the Company and/or the Partnership, other than a merger or consolidation (x) effecting a good faith, bona fide, Sale (other than a Sale described in clause (ii) of Section 5.09) and (y) the primary purpose of which in any event is other than to circumvent the restrictions set forth above in this Section 13.02, and (ii) any conversion of the Company or the Partnership into another form of Entity unless (x) the governing documents of the Company or the Partnership, as the case may be, after giving effect to such conversion (including the provisions thereof concerning the management of the business and affairs of the Company and the Partnership) mirror in all material respects this Agreement or the ESX Futures LP Agreement, as the case may be (disregarding differences intrinsic to, and which cannot be avoided given, the change in form of Entity), and (y) such conversion is for bona fide, good faith reasons and in any event the primary purpose of such conversion is other than to circumvent the restrictions set forth above in this Section 13.02.

ARTICLE XIV

MISCELLANEOUS

14.01 Waiver of Rights of Partition and Dissolution. To the fullest extent that they may effectively do so under the Act, each of the Members hereby irrevocably waives and renounces all rights it may have at any time to, and in any event agrees not to file, bring or maintain, (i) any action for application for dissolution (including any action seeking a court decree of dissolution) of the Company (including making any application pursuant to Section 18-802 of the Act), or division or sale of the Company Property, or the appointment of a court receiver for the Company, in each case as now or hereafter permitted under the Act or any other applicable law, or (ii) any action, application or bill for a Company accounting. Nothing in this Section 14.01 limits the right of any Member to institute or maintain an appropriate action to enforce Article X (disregarding clause (ii) of Section 10.01) or to exercise any right expressly granted to it under this Agreement.

14.02 Entire Agreement. This Agreement, together with the Exhibits hereto (and any other instruments expressly contemplated hereby or thereby, or otherwise delivered contemporaneously herewith), constitute the entire agreement and understanding, and supersedes all other prior agreements and understandings, both written and oral, between the Members or their Affiliates or any of them with respect to the subject matter hereof.

14.03 Governing Law; Jurisdiction. THIS AGREEMENT IS GOVERNED BY AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, EXCLUDING ANY CONFLICT-OF-LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAWS OF ANOTHER JURISDICTION. In the event of a direct conflict between the provisions of this Agreement and any mandatory, non-waivable provision of the Act, such provision of the Act shall control to the extent necessary to eliminate such direct conflict; otherwise, if any provision of this Agreement is inconsistent with a provision of the Act, this Agreement will prevail to the fullest extent permitted by the Act.

14.04 Third Party Beneficiaries. Subject to Sections 12.04 and 14.15, (i) this Agreement is for the benefit solely of, and shall inure solely to the benefit of, each of the Members and the Company and (ii) this Agreement is not enforceable by any Person (including any creditor of the Company or of any Member(s)) other than the Members and the Company.

14.05 Expenses. Except as may otherwise be expressly provided herein or in any Related Party Agreement, each Member shall pay its own expenses (including legal, accounting investment banker, broker or finders fees) incident to the negotiation and execution of this Agreement and the Related Party Agreements, the consummation of the transactions contemplated by Section 3.02 and the performance of its obligations hereunder.

14.06 Waivers. Any right afforded hereunder to any particular Member may be waived (solely in relation to such Member) by such Member.

14.07 Notices. All notices or other communications required or permitted to be given under this Agreement shall be sufficiently given if in writing and personally delivered, mailed by prepaid registered or certified mail, return receipt requested, sent by receipted overnight courier service or sent by facsimile transmission. Notices and other communications shall be effective upon receipt by the Person to be notified, provided, however, that any notice or communication that is received other than during regular business hours of the recipient on a Business Day shall be deemed to have been given at the opening of business on the next Business Day. The address for notices and other communications to a Member is the address given for that Member on the signature pages hereof (or any comparable instrument delivered in connection with any issuance pursuant to Section 3.04), or such other address as that Member may specify by notice to the other Members and the Company. Any notice or other communication to the Company must be given to the Company at the address set forth on the signature pages hereof or such other address as the Company may specify by notice to the Members.

14.08 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which shall together constitute one and the same instrument. It shall not be necessary for any counterpart to bear the signature of all parties hereto.

14.09 Calculations. All calculations of Dollar amounts hereunder shall be rounded to the nearest whole cent, and all calculations of percentages shall be rounded to the nearest one-hundredth of one percent. Equidistant amounts shall be rounded upwards.

14.10 Successors and Assigns. Except as otherwise specifically provided in this Agreement (including Article IX and Schedule II), this Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns. Without limitation of Article IX or Schedule II, this Agreement, as in effect on the date that any particular Person shall cease to be a Member, shall continue to bind such Person in relation to the period during which it was a Member (although such Person shall not thereby continue to be considered to be a current "Member" or to continue to have any rights of a "Member").

14.11 Captions; Section References. All article, section or sub-section titles or captions contained in this Agreement in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit, extend or describe the scope of this Agreement or the intent of any provisions hereof.

14.12 Supplemental Provisions. The Rules of Usage and the Supplemental Provisions apply to this Agreement.

14.13 Submission to Jurisdiction; Waivers. Each Member (or former Member) hereby irrevocably and unconditionally:

(a) (i) agrees that any suit, action or proceeding against it by the Company or any other present or former Member(s) arising out of or relating to this Agreement may be instituted, and (subject to any contrary and non-waivable provision of the Act) that any suit, action or proceeding by it against the Company or any other present or former Member(s) arising out of or relating to this Agreement shall be instituted only, in the Court of Chancery of the State of Delaware or the U.S. District Court for the District of Delaware (and appellate courts from any of the foregoing), (ii) consents and submits, for itself and its property, to the jurisdiction of such courts for the purpose of any such suit, action or proceeding instituted against it, and (iii) agrees that a final judgment in any such suit, action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law;

(b) agrees that service of all writs, process and summonses in any suit, action or proceeding pursuant to Section 14.13(a) may be effected by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at its address for notices pursuant to Section 14.07, such service to become effective 30 days after such mailing, provided that nothing contained in this Section 14.13(b) shall affect the right of any party to serve process in any other manner permitted by law;

(c) (i) waives any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement brought in any court specified in Section 14.13(a), (ii) waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum and (iii) agrees not to plead or claim either of the foregoing; and

(d) WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY OF ANY DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT AND AGREES THAT ANY SUCH DISPUTE SHALL BE TRIED BEFORE A JUDGE SITTING WITHOUT A JURY.

For the avoidance of doubt, this Section 14.13 applies to any action, suit or proceeding by any Member(s) by or in the name of the Company arising out of or relating to this Agreement.

14.14 Remedies Cumulative; No Implied Waivers. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power or remedy hereunder shall preclude any other or further exercise thereof. Except where a specific period for action or inaction is provided herein, no failure on the part of any Member(s) or the Company to exercise, and no delay on the part of any Member(s) or the Company in exercising, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any waiver on the part of any Member(s) or the Company of any such right, power or privilege, or any single or partial exercise of any such right, power or privilege, preclude any other or further exercise thereof or the exercise of any other right, power or privilege; nor shall any waiver of the part of any Member(s) or the Company, on any particular occasion or in any particular instance, of any particular right, power or privilege operate as a waiver of such right, power or privilege on any other occasion or in any other instance.

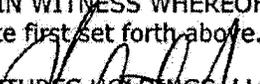

14.15 Guarantee of Obligations of Affiliated Members. Each Member hereby irrevocably and unconditionally covenants and agrees, for the several benefit of each ESX Entity and the Members and Limited Partners from time to time of such ESX Entity, that it will be responsible and liable for the acts and omissions (occurring while such Member is a Member) of any of its Affiliates that also are Members or Limited Partners of either ESX Entity (jointly and severally with such Affiliates), including for any breach by any such Affiliate of any representation, warranty, covenant or other term of the Governing Document of such ESX Entity applicable to such Affiliate, all to the same extent as would prevail if such Member had been the Member or Limited Partner of such ESX Entity in the stead of such Affiliate and such act or omission had been the act or omission of such Member. ESX Futures, and the Limited Partners thereof from time to time, are hereby constituted express third-party beneficiaries of this Section 14.15.

Supplemental Provision No. 2--Date of Payment. If any payment under such document is required to be made on a day other than a Business Day, the date of payment shall be extended to the next Business Day.

Supplemental Provision No. 3--Compliance with Law. Except as otherwise specifically provided in such document, each party thereto shall, at its own cost and expense, obey and comply with all applicable laws, as they may pertain to each party's performance of its obligations under such document.

Supplemental Provision No. 4--Waiver of Inconsistent Provisions of Law. To the fullest extent permitted by applicable law, each party to such document waives any provision of law (including the common law) that renders any provision of such document invalid, illegal or unenforceable in any respect.

Supplemental Provision No. 5--Severability. Any provision of such document which is prohibited or unenforceable to any extent or in any particular context shall be ineffective, but such ineffectiveness shall be limited as follows: (i) if such provision is prohibited or unenforceable only in or as it relates to a particular jurisdiction, such provision shall be ineffective only in or as it relates to (as the case may be) such jurisdiction and only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability in or as it relates to (as the case may be) such jurisdiction shall not otherwise invalidate or render unenforceable such provision (in such or any other jurisdiction); (ii) if (without limitation of, and after giving effect to, clause (i)) such provision is prohibited or unenforceable only in a particular context (including only as to a particular Person or Persons or under any particular circumstance or circumstances), such provision shall be ineffective, but only in such particular context; and (iii) without limitation of clauses (i) or (ii), such ineffectiveness shall not invalidate any other provision

Without limitation of the preceding sentence, it is further the desire, and intent and agreement, of the parties to such document that if any court having jurisdiction determines that any provision of such document is prohibited or unenforceable to any extent or in any particular context but in some modified form would be enforceable, the relevant court shall have the power to, and shall, (x) modify such provision (including, to the extent applicable, by limiting the scope (geographical, temporal or otherwise) of such provision or the Persons against whom, or the circumstances under which, such provision shall be effective) for purposes of such proceeding in accordance with clauses (i), (ii) and (iii) of the preceding sentence and otherwise to the minimum extent necessary so that such provision, as so modified, may then be enforced in such proceeding, and (y) enforce such provision, as so modified pursuant to clause (x), in such proceeding. Nothing in this Supplemental Provision is intended to, or shall, limit (1) Supplemental Provision No. 4, (2) the ability of any party to such document to appeal any court ruling or the effect of any favorable ruling on appeal or (3) the intended effect of the provision of such document specifying the substantive law that the parties intend shall govern such document.

Supplemental Provision No. 9--Facsimile Signatures. Such document and any amendments thereto, to the extent signed and delivered by means of a facsimile machine, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of a party to such document, any other party to such document so executing and delivering such document or any amendment thereto by means of a facsimile machine shall deliver the original of such facsimile signature, or re-execute original forms of such document and deliver them, to the requesting party. No party to such document shall raise the use of a facsimile machine to deliver a signature or the fact that any signature or agreement was transmitted or communicated through the use of a facsimile machine as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

Supplemental Provision No. 10—Construction. With regard to each and every term and condition of such document, the parties thereto understand and agree that the same have or has been mutually negotiated, prepared and drafted, and if at any time the parties thereto desire or are required to interpret or construe any such term or condition or any agreement or instrument subject hereto, no consideration shall be given to the issue of which party thereto actually prepared, drafted or requested any term or condition of thereof.
