**Re: Rule Certification. Notification of an Administrative Amendment to Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook for the COMEX miNY Gold Futures Contract
NYMEX Submission No. 11-067**

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying an administrative amendment to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook to change the aggregation allocation for the COMEX miNY Gold futures contract (Chapter 911; Code QO).

The COMEX miNY Gold futures contract currently aggregates into the E-mini Gold Futures contract (code 8Q) which was delisted on trade date January 28, 2011 (NYMEX Submission #11-009, dated January 14, 2011). Therefore, the amendment to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook will reflect that the COMEX miNY Gold futures contract will aggregate into itself.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, NYMEX hereby certifies that the attached rule amendment complies with the Act, including regulations under the Act. This change will be made effective on trade date February 14, 2011.

Should you have any questions concerning the above, please contact Glenn Hofferber, Associate Director, Market Surveillance, at (212) 299-2884, or Ryne Toscano, Supervisor, Market Surveillance, at (212) 299-2879. Please reference our NYMEX Submission No. 11-067 in any related correspondence.

Sincerely,

/s/Felix Khalatnikov
Dir & Assoc General Counsel
