**Re: REVISED Rule Certification. Notification of Administrative Amendments to Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook
NYMEX Submission #11-138R**

Dear Mr. Stawick:

Previously, by letter filed on April 6, 2011 (submission #11-138), the New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") notified the Commodity Futures Trading Commission ("CFTC" or "Commission") that it was self-certifying administrative amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook in order to align the accountability levels of nine (9) existing petroleum contracts with the accountability levels of existing contracts with similar aggregation allocations.

This revised submission supersedes submission #11-138, previously filed with the CFTC on April 6, 2011, in order to correct certain inadvertent typographical errors contained in the attachment. The Exchange is notifying the CFTC that it is self-certifying the attached, revised, administrative amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook in order to align the accountability levels of nine (9) existing petroleum contracts with the accountability levels of existing contracts with similar aggregation allocations.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal. These changes will be made effective on trade date April 12, 2011.

Should you have any questions concerning the above, please contact Chris Reinhardt, Associate Director, Market Surveillance, at 212-299-2882, or Ryne Toscano, Supervisor, Market Surveillance, at (212) 299-2879. Please reference our NYMEX Submission No. 11-138 in any related correspondence.

Sincerely,

/s/Felix Khalatnikov
Dir & Assoc General Counsel
