Dear Mr. Stawick:

The Commodity Exchange, Inc. ("COMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying an amendment to Supplement No. 1, "Official List of Refiners and Brands" of the Exchange's Gold futures contract to be implemented effective Monday, July 18, 2011.

The amendment is intended to change the producer name for the gold brand "Canadian Copper Refiners Limited Montreal East, Canada" and "Noranda Mines Limited-CCR, Montreal East, Canada" which are acceptable for delivery against the Exchange's Gold futures contract, from "Noranda Mines Limited, CCR Division" to "Xstrata Canada Corporation", and the producer name for the gold brand "Noranda Mines Inc. CCR, Montreal East Canada" which is acceptable for delivery against the Exchange's Gold futures contract, from "Noranda Metallurgy Inc. Copper" to "Xstrata Canada Corporation".

Xstrata Canada Inc. is a Canadian corporation that exists under the laws of the Province of Ontario and a wholly-owned subsidiary of Swiss based Xstrata Plc which exists as a corporation under the laws of the United Kingdom. Xstrata has notified the Exchange that its gold brands under the producer name, "Noranda Metallurgy Inc.", currently deliverable against the Exchange's Gold futures contract, and its gold brands named under the producer name "Noranda Mines Limited, CCR Division," also deliverable against the Exchange's Gold futures contract, are to be listed under the producer name, "Xstrata Canada Corporation."

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached amendment to Supplement No. 1 complies with the Act, including regulations under the Act. There were no substantive opposing views to this proposal. This amendment will go into effect on Monday, July 18, 2011.
