PROCEEDINGS CLERK

ORDER OF PARTIAL DISMISSAL and ORDER OF DEFAULT

Respondents Goodman and Wilson settled with complainant on the date of the oral hearing, and therefore the proceeding was stayed to allow for time payments to be made. Neither side has kept the Court informed of the progress of fulfillment of the terms of the settlement. Several inquiries to complainant all have resulted in his stating that he has given the respondents an indeterminate time to complete the settlement, which actually was to have been fulfilled a year ago. Under the circumstances, it would be inappropriate to keep the case stayed on the docket any longer. Accordingly, the stay is hereby VACATED and the complaint is DISMISSED as to respondents Goodman and Wilson.

FSG stopped participating in this proceeding before the hearing and is in default. Based on its default, FSG is found to have committed numerous violations of CFTC Rule 33.10 and thus is found liable for all sums claimed by complainant in the unrebutted complaint that have not been paid by the settling respondents. Violations having been found, FSG International, Incorporated, is hereby ORDERED to pay reparations to complainant in the amount of \$16,761.70, plus prejudgment interest compounded annually at the rate of 2.12 % from March 12, 1999, to the date of payment, plus \$125.00 in costs as complainant's filing fee.
