DISMISSAL ON SETTLEMENT

On June 20, 2001 the parties were ordered to show cause why the court should not deem that all issues have been settled. Any response was to include a pre-hearing memorandum.

Counsel for the parties have filed statements to the effect that all issues have been settled. However, the parties have not filed pre-hearing memoranda as required by the June 20 Order.

As all issues have been settled, this matter is **DISMISSED**. Should the settlement agreement be breached a party may request, within six months from this date, that the case be reopened.
