roller bearings and parts thereof, finished and unfinished, from the People’s Republic of China covering the period June 1, 2013, through May 31, 2014. The Department received a number of timely requests for an antidumping duty administrative review, including one from GGB Bearing Technology (Suzhou) Co., Ltd. (GGB). On July 31, 2014, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), the Department published in the Federal Register a notice of initiation of administrative review. On October 29, 2014, GGB withdrew its request for an administrative review.

Recision of Review, in Part

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. GGB’s withdrawal of its request was submitted within the 90-day period and, thus, is timely. Because GGB’s withdrawal of its request for an antidumping duty administrative review is timely and because no other party requested a review of GGB, we are rescinding this administrative review, in part, with respect to this company, in accordance with 19 CFR 351.213(d)(1).

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For GGB, the company for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Needs and Uses: The Uniformed and
Overseas Citizens Absentee Voting Act
(UOCAVA) requires the States to allow
Uniformed Services personnel, their

Services and the merchant marine to
include the commissioned corps of the
National Oceanic and Atmospheric
Administration and Public Health
Service and their eligible dependents,
Federal civilian employees overseas,
and overseas U.S. citizens not affiliated
with the Federal Government.

Subsequent to each Presidential election
year, FVAP must report voter
registration and participation rates for
uniformed service voters and overseas
citizens to Congress; while FVAP
collects data for this report through
regular surveys of uniformed service
voters and other relevant UOCAVA
populations, it does not currently
collect data from non-military,
non-government overseas civilians.
The 2015 Survey of Registered Voters
Living Overseas research project will serve
as a pilot, examining the feasibility of
collecting data from this population by
surveying a sample of registered voters
living overseas during the 2014 election.
Collecting information from this
population will also support FVAP in
its purpose of ensuring that Service
members, their eligible family members
and overseas citizens are aware of their
right to vote and have the tools and
resources to successfully do so from
anywhere in the world. In addition to
determining the feasibility of
conducting a survey of overseas
citizens, the information collected will
be used for overall program evaluation,
management and improvement, and to
compile the congressionally-mandated
report to the President and Congress.

Affected Public: Individuals or
households.

Frequency: On occasion.

Respondent’s Obligation: Voluntary.
