Re: "A," a registered commodity pool operator for "B"

Dear:

This is in response to your letter dated May 15, 2009, to the Division of Clearing and Intermediary Oversight ("Division") of the Commodity Futures Trading Commission ("Commission"). You request on behalf of "A," the commodity pool operator ("CPO") for "B" (the "Pool"), an exemption from the requirement of Commission Regulation 4.22(c)<sup>1</sup> that the CPO distribute and file a certified Annual Report within 90 days of the Pool's permanent cessation of trading on May 31, 2009 for the period from January 1, 2009 through May 31, 2009.

Based upon the representations made in your correspondence, we understand the facts to be as follows. You request, on behalf the CPO and Pool, an exemption from the requirements of Regulation 4.22(c) that the CPO distribute and file a certified Annual Report within 90 days of the Pool's permanent cessation of trading on May 31, 2009. In support of your request, you state that the Pool has 7 participants, all of whom have signed waivers agreeing to accept an uncertified Annual Report.

Regulations 4.22(c) and (d) require each registered CPO file a certified Annual Report with the Commission and distribute copies to the pool participants within 90 calendar days of the end pool's permanent cessation of trading. The principal purpose of financial reporting required by Regulation 4.22 is to ensure that pool participants receive accurate, fair and timely information on the overall trading performance and financial condition of the pool. Accordingly, pursuant to the authority delegated by Regulation 140.93 and 4.12(a), the Division believes that granting the request on behalf of "A" is neither contrary to the purposes of Regulation 4.22 nor to the public interest. Accordingly, "A" is hereby granted relief from the certification requirement of Rule 4.22(d) for the Pool's final Annual Report for the period of January 1, 2009 through May 31, 2009.

The relief granted in this letter is conditioned on the distribution of an unaudited annual report for the period from January 1, 2009 through May 31, 2009 that otherwise complies with

Commission Regulation 4.22(c) and (d) and filing of the same with NFA. This in no way shall excuse "A" or "B" from compliance with any other applicable requirements contained in the Act or in the Commission's regulations issued thereunder, including but not limited to Part 4 of the Regulations.

This letter, and the relief contained herein, is based upon the representations provided to us. Any different, changed or omitted material facts or circumstances might render this letter void.
