Subject: Thank you regarding silver manipulation statement

Dear Mr. Chilton,

I would like to take a moment of your time to express my sincerest thanks to you for your statement regarding price manipulation in the silver market. At a time in history where the American public at large has lost a great deal of faith in their elected and appointed officials, it is heartwarming to see someone who has the courage, conviction and integrity to speak out so honestly on a matter that I am sure many parties wish would simply go away. It is my belief that it is your brand of service, which is clearly in the public's best interest, that will lead to the restoration of faith in our country's institutions. Again, I wish to commend you on your actions, and wish you the very best in your continuing endeavor to fight the good fight.

Best regards,

Thomas Trojak
