ISSUANCE OF COMPLAINT - CE-A DOCKET NO. 63

(Administrative Hearing under the Commodity Exchange Act)

A complaint and notice of hearing has been signed by the Acting Secretary of Agriculture, charging the following respondents with violation of the Commodity Exchange Act:

Myers and Company,

A. H. Myers,

Harry N. Harrison, and

Glenn G. Yancey

The complaint charges that, under the supervision and direction of the three individual respondents, in their capacities as officers of the respondent corporation, the respondent corporation misused customers' funds, failed to keep proper records with respect to such funds, and handled customers' transactions contrary to the requirements of applicable regulations, all in violation of the Commodity Exchange Act and the rules and regulations thereunder.

The issuance of a complaint under the Commodity Exchange Act does not constitute proof of violation of the law. Such violation is established only when the Judicial Officer of the Department has made a determination that the evidence substantiates allegations in the complaint. Complaints are filed in the office of the hearing clerk of the Solicitor of the Department of Agriculture and are a matter of public record. Pending disposition by the Judicial Officer, it is the policy of the Commodity Exchange Authority not to comment or elaborate on charges contained in complaints or to discuss evidence on which they are based.

A public hearing on the complaint is scheduled to be held before a referee at 10:00 a.m., Central Standard Time, November 4, 1954, in Room 854, Board of Trade Building, Kansas City, Missouri.
