Re: Security Futures Products Rule Submission and Rule Certification

Dear Ms. Webb:

Pursuant to section 5c(c)(1) of the Commodity Exchange Act, as amended (the "Act"), and section 41.24 of the regulations promulgated by the Commission under the Act, submitted herewith is a rule amendment to the contract specifications for all single stock futures products, including exchange traded funds, currently listed for trading on OneChicago, LLC ("OneChicago") effective November 17, 2004. The delivery months in Contract Specification Supplements No. 1 through No. 108 and No. 128 and No. 129 to Rule 905 are amended to read that there will be no more than three quarterly and two serial contract months at any point in a calendar year. The delivery months in Contract Specification Supplements No. 109 through No. 127 are amended to make changes in conformance with the changes to Contract Specification Supplements No. 1 through No. 108. There are no opposing views that are not incorporated into this rule amendment.

On behalf of OneChicago, I hereby certify that that the amendment to Supplements No. 1 through No. 129 to Rule 905 complies with the Act and regulations promulgated thereunder.
