Re: **Amendments to Rule 6.10 -**
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6

Dear Ms. Webb:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6, the Board of Trade of the City of New York, Inc. ("Exchange") submits, by written certification, amendments to Rule 6.10, attached as Exhibit A, which conform the Exchange's customer type indicators ("CTIs") with the CTIs to be used by all US futures exchanges.

A task force of representatives of all US exchanges has been working with the Commission to standardize the use of CTIs. The amendments to Rule 6.10 reflect the agreed upon uniform set of CTIs that are to be consistently applied in all US futures markets.

The Exchange certifies that the amendments comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder.

The amendments were adopted by the Exchange's Board of Governors on September 22, 2004. The amendments will be phased in as follows: (i) on January 1, 2005, the redefined CTI 2

will be implemented, and (ii) on February 1, 2005, the redefined CTI 3 will become effective and the Exchange's current CTI 5 will be eliminated.

No substantive opposing views were expressed by members or others with respect to the amendments.
