Re: Rule Certification. NYMEX Submission 05.190: Notification of Listing Three Additional Months in the NYMEX New York Harbor Gasoline Futures Contract and One Additional Month in the New York Harbor Gasoline Blendstock (RBOB) Futures Contract

Dear CFTC Commissioners:

The New York Mercantile Exchange, Inc. ("NYMEX" or the "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is adding three additional contract months for the Exchange's New York Harbor Gasoline Futures Contract (Symbol HU) through January 2007. Thereafter, the Exchange will stop listing additional months in the New York Harbor Gasoline Futures Contract until the NYMEX Petroleum Products Advisory Committee meets again to review gasoline issues.

Further, the Exchange will list one additional contract month in the New York Harbor Gasoline Blendstock (RBOB) Futures Contract (Symbol RB) through January 2007. Thereafter, the Exchange will maintain the listing of 12 months on a rolling basis.

This expansion in listed contract months will go into effect on Monday, October 24, 2005. Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the listing of these additional months complies with the Act, including regulations under the Act.

Very truly yours,
