Re: Rule Certification. NYMEX Submission 07.10: Notification of Amendments to Chapter 9, Appendix A for Certain Power Options.

Dear Ms. Jean Webb:

The New York Mercantile Exchange ("NYMEX" or the "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") of amendments to Chapter 9, Appendix A for certain Power Options.

Effective on Wednesday, January 24, 2007, clarifying amendments are being made to Chapter 9, Appendix A, for certain power options that were recently listed by the Exchange. The amendments delete the expiration position limit on all of the relevant options since the options are currently aggregated on a futures equivalent basis into the underlying futures contracts which expire prior to the applicability of the expiration position limits. Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached amendments comply with the Act, including regulations under the Act.

Should you have any questions concerning the above, please contact Anthony V. Densieski, Senior Director, Market Surveillance, at (212) 299-2881, Nancy Minett, Vice President, Compliance, at (212) 299-2940, or myself at (212) 299-2897.

Very truly yours,

Thomas F. LaSala
Senior Vice President
Compliance and Risk Management
