**Re: Rule Certification. NYMEX Submission 07.19: Notification of Housekeeping Amendments to Chapter 9, Appendix A, for the Natural Gas Daily Option Contract.**

Dear Ms. Eileen Donovan:

The New York Mercantile Exchange ("NYMEX" or the "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") of amendments to Chapter 9, Appendix A, for the Natural Gas Daily Option Contract.

Chapter 9, Appendix (A) has been amended to correctly reflect the expiration accountability last day level (NYMEX Rule 9.27A) for the Natural Gas Daily Option Contract as 1,000 contracts, and that the contract no longer aggregates into the Henry Hub Financial Last Day Futures Contract (HH), but aggregates into itself (KD). These changes will be effective February 16, 2007. Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act.

If you have any questions, please contact Anthony V. Densieski, Senior Director, Market Surveillance, at (212) 299-2881, or Nancy M. Minett, Vice President, Compliance, at (212) 299-2940.

Sincerely,

Thomas F. LaSala  
Chief Regulatory Officer
